Interviews at INA on 12/11/74, confirmed that the subject did file a claim for laceration of his right wrist in April of 1973. The last contact with HARRIS by the company was in April of 1973. Enclosed for the Bureau is a rent receipt, number 5606, dated 5/10/74, in the name of SUSAN RIVERA, located in residence at 833 West 84th Street, Los Angeles, California.

It should be noted that KYLE EDWARD JONES, 837-3/4 West 84th Street, who manages the property at 833 West 84th Street, has indicated he filled out the receipt on 5/10/74, and that the residence was rented by NANCY LING PERRY using the name SUSAN RIVERA and another unidentified female known only as "SUE". JONES has been unable to effect the identity of the second female from photographs of known SLA members and sympathizers.

At the top of the enclosed receipt are notations, "ABC Manchester and Hoover" and "Money Orders Only". JONES stated he does not know who placed those notations on the receipt.

The FBI Laboratory is requested to compare the notations at the top of the receipt with known handwriting samples of SLA members in an effort to determine the writer.

 I also want to mention further

As to someone actually
identifying Patty Hearst
the Bureau would have to be
positively actually accurate
and I believe a
skilled FBI man or policeman
etc. if they knew what they
were doing and I believe, like
Emily or William Harris.

I hope this information helps
you as well as the information
I passed on to the SF FBI
and Police Dept. but they have

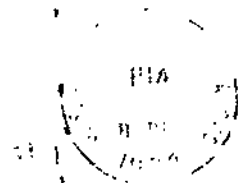

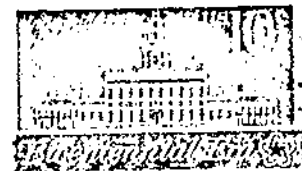

not actually tried to find
the night parties in the city, also
laying hands up by the
Jefferson Hotel on Eddy St 37
and can find the St 37 and kept

Also the same person (within
Mexico presumably) was call-
ed up until a few days ago, plans
were at that time someone should
be him to leave as she has
turned everything in and they
will be there.

Also, the same parties stating
they can fool the FBI. But
they can't fool me they know.
I hope this helps in your
investigation and location of
Patty Hearst.

RE: CIVIL SUIT, JOSEPH X POLITE AND LEONARD X. VAUGHN,
PLAINTIFFS; THE CHRONICLE PUBLISHING COMPANY, DEFENDANT.

RE SAN FRANCISCO TELETYPE TO BUREAU OCTOBER 21, 1974 WITH A
REFERENCE "EXTORTION - PIN PROGRAM".

REFERENCED TELETYPE SETS FORTH THAT THE SAN FRANCISCO
CHRONICLE ON OCTOBER 21, 1974 CARRIED AN ARTICLE STATING THAT TWO
BLACK MUSLIMS HAD EXTORTED THE PEOPLE IN NEED (PIN) PROGRAM FOR
APPROXIMATELY \$100,000. AS THE BUREAU WILL RECALL, THE PIN
PROGRAM WAS INITIATED BASED ON THE DEMANDS OF THE SLA IN
CONNECTION WITH THE RELEASE OF PATRICIA HEARST. THE SOURCE
OF THIS ARTICLE WAS AN OFFICIAL OF THE PIN PROGRAM, LEE T.
ROSS, WHO IN SUBSTANCE NOTED THAT A CHECK IN THE AMOUNT OF
\$99,630 WAS MADE OUT TO MUSLIM MOSQUE # 26 AT SAN FRANCISCO

REC-21 7-15200-3907

27

6-MPT

BECAUSE OF THREATS TO KICK THE PROGRAM OR JEOPARDIZE THE LIFE OF PATRICIA HEARST. THE MONEY WAS OSTENSIBLY TO PAY FOR FOOD STORED IN A MUSLIM WAREHOUSE, WHICH WAREHOUSE WAS ALLEGEDLY ACTUALLY EMPTY. THE SAN FRANCISCO POLICE DEPARTMENT HAS CONDUCTED AN INVESTIGATION REGARDING THIS MATTER AND ACCORDING TO ROSS, THE INITIAL CONTACT FOR THE MUSLIMS WAS A CHARLES T. WALKER (A LOCAL BLACK TRUCKER), JOSEPH X POLITE, AND A LEONARD VAUGHN.

ON THE EVENING OF DECEMBER 19, 1974 THE SAN FRANCISCO OFFICE WAS SERVED WITH TWO SUBPOENAS ISSUED BY THE CLERK OF THE SUPERIOR COURT, THE STATE OF CALIFORNIA, FOR THE CITY AND COUNTY OF SAN FRANCISCO. THE SUBPOENAS WERE SUBPOENA TO TAKE DEPOSITION (CIVIL) DUCES TECUM. THE PLAINTIFF IN ONE WAS JOSEPH X POLITE AND THE OTHER WAS LEONARD X VAUGHN. THE CHRONICLE PUBLISHING COMPANY WAS THE DEFENDANT IN BOTH SUBPOENAS, AND THE SUBPOENAS ARE IDENTICAL. THEY ARE DIRECTED

PAGE THREE SF 7-855

TO THE SAG AND IN ESSENCE DIRECT HIM TO APPEAR ON DECEMBER 30, 1974, AT 9:30AM BEFORE A NOTARY PUBLIC TO GIVE A DEPOSITION. HE IS TO APPEAR AT THE LAW OFFICES OF FREDERICK F. FURTH, CLYDE W. STITT, AND DANIEL S. MASON, 235 MONTGOMERY STREET, SAN FRANCISCO. THE SUBPOENA DIRECTS THAT MR. BATES BRING DOCUMENTS WHICH INCLUDE NOTES AND SOUND RECORDINGS OF TELEPHONE CONVERSATIONS HELD BETWEEN THE PLAINTIFF AND/OR AGENTS OF THE PLAINTIFF, AND OFFICIALS OF THE PIN PROGRAM DIRECTLY RELATING TO THE ISSUES OF THIS CASE. THESE DOCUMENTS FURTHER INCLUDE NOTES AND SOUND RECORDINGS OF TELEPHONE CONVERSATIONS BETWEEN RANDOLPH HEARST AND OTHER MEMBERS OF THE HEARST FAMILY AND PLAINTIFF AND/OR AGENTS OF THE PLAINTIFF DIRECTLY RELATING TO THE ISSUES OF THE CASE. THE SUBPOENAS CONTAIN A DESCRIPTION OF THE DOCUMENTS, WHICH IS ALL DOCUMENTS RELATING OR REFERRING TO THE FOOD DISTRIBUTION PROGRAM ESTABLISHED IN 1974 TO AID IN THE EFFORT TO FREE PATRICIA HEARST, WHICH PROGRAM IS AND WAS COMMONLY KNOWN "PEOPLE IN NEED" (PIN) PROGRAM.

PAGE FOUR SF 7-855

THE SUBPOENAS ARE IN RELATION TO AN ALLEGED LIBEL BY THE CHRONICLE PUBLISHING COMPANY REGARDING AN ARTICLE PUBLISHED IN THE SAN FRANCISCO CHRONICLE ON OCTOBER 21, 1974, WHICH ACCUSES THE PLAINTIFF OF HAVING EXTORTED \$99,520 ON BEHALF OF MUHAMMAD'S TEMPLE NO. 26 FROM THE PEOPLE IN NEED PROGRAM. THE PLAINTIFFS CONTEND THAT ALTHOUGH THE MONEY WAS TENDERED TO THE PLAINTIFF THE SUM WAS IN PAYMENT FOR FOOD, WHICH MUHAMMAD'S TEMPLE NO. 26 HAD GIVEN TO THE PIN PROGRAM.

LEONARD X VAUGHN AND JOSEPH X POLITE ARE KNOWN TO THIS OFFICE AS MEMBERS OF THE NATION OF ISLAM IN THE SAN FRANCISCO BAY AREA.

THE SAN FRANCISCO OFFICE IS NOT IN POSSESSION OF ANY OF THE ITEMS MENTIONED IN THE SUBPOENA, THAT IS, WE HAVE NO RECORDINGS, NOTES OR DOCUMENTS RELATING TO CONVERSATIONS BETWEEN PEOPLE IN THE PIN PROGRAM, THE MUSLIMS AND/OR HEARST, NOR DO WE HAVE ANY DOCUMENTS RELATING TO THE FOOD DISTRIBUTION PROGRAM KNOWN AS PIN, AND CONSEQUENTLY NOTHING OF THIS NATURE

HAS EVER BEEN DISSEMINATED TO ANY LOCAL AGENCY BY THIS OFFICE.

ON DECEMBER 22, 1974 THIS MATTER WAS DISCUSSED WITH US ATTORNEY JAMES BROWNING AND AUSA ROBERT WARD, AND THEY WERE ADVISED THAT THE FBI IN SAN FRANCISCO WAS NOT IN POSSESSION OF ANY ITEMS MENTIONED IN THE SUBPOENA. MR. BROWNING DIRECTED MR. WARD TO TELEPHONICALLY CONTACT FREDERICK FURTH AND EXPLAIN TO HIM THAT THE FBI HAD NONE OF THE ITEMS LISTED IN THE SUBPOENA. MR. WARD DID CONTACT MR. FURTH TELEPHONICALLY AND EXPLAIN THIS TO HIM. MR. WARD ADVISED THAT MR. FURTH SAID IT WOULD BE SATISFACTORY FOR AN AGENT TO APPEAR AT HIS OFFICES AT THE DATE AND TIME INDICATED IN THE SUBPOENA AND FURNISH A DEPOSITION WHICH WOULD STATE THAT WE HAVE NONE OF THE ITEMS MENTIONED IN THE SUBPOENA. MR. WARD SUGGESTED AND APPROVES THAT THIS COURSE OF ACTION SHOULD BE FOLLOWED BY THIS OFFICE AND A REPRESENTATIVE FROM THE US ATTORNEY'S OFFICE WOULD ACCOMPANY WHATEVER AGENT MADE THE DEPOSITION.

BUREAU AUTHORITY IS REQUESTED FOR AN AGENT TO APPEAR AS DIRECTED ABOVE.

ARMED AND DANGEROUS.

RE: FREDERICK M. SOLTYSIK

THE ISSUE OF THE "BERKELEY BARB" FOR DECEMBER 13-19, 1974, CONTAINS AN OPEN LETTER TO BILL HARRIS FROM FREDERICK SOLTYSIK. IN IT SOLTYSIK MENTIONS THAT HIS SISTER, NIZMOON, DIED ON HER BIRTHDAY AND IN PART STATES THAT "THE FATALISM WHICH THE POPULAR PRESS ASCRIBED TO THOSE SIX CONRADES REPRESENTS A DANGEROUS FABRICATION, A ROMANTIC FICTION WHICH ALLOWS YOU, BILL HARRIS, TO MINIMIZE YOUR RESPONSIBILITY AND OFFERS YOU THE LUXURY OF AN ASSUAGED CONSCIENCE." THE LETTER INDICATES THAT THE SHOOTING IN LOS ANGELES WAS THE RESULT OF AN ERROR OF JUDGEMENT ON BILL HARRIS' S PART.

RE: NEWS MEDIA PERSONAL APPEAL BY CATHERINE HEARST

MRS. HEARST'S LETTER TO PATRICIA WAS PUBLISHED IN
THE HEARST'S PAPERS IN SAN FRANCISCO AND LOS ANGELES AND WAS
ALSO DISTRIBUTED NATION-WIDE OVER UP AND AP WIRE SERVICES; AND
IN ADDITION, A VIDEO TAPE OF MRS. HEARST RECEIVED WIDE SPREAD
PUBLICITY THROUGHOUT THE SAN FRANCISCO BAY AREA TELEVISION
STATIONS. THE TEXT OF THE TAPE WAS ESSENTIALLY THAT OF THE
LETTER PUBLISHED IN THE NEWSPAPERS.

RE: CIVIL SUIT, JOSEPH X POLITE AND LEONARD X
VAUGHN, PLAINTIFFS; THE CHRONICLE PUBLISHING
COMPANY, DEFENDANT.

THE SAN FRANCISCO CHRONICLE ON OCTOBER 21, 1974 CARRIED AN
ARTICLE REGARDING TWO BLACK MUSLIMS WHO HAD EXTORTED APPROXI-
MATELY \$100,000 FROM THE PEOPLE IN NEED (PIN) PROGRAM, WHICH WAS
INITIATED BASED ON THE DEMANDS OF THE SLA IN CONNECTION WITH
THE RELEASE OF PATRICIA HEARST. ALLEGEDLY A CHECK IN THE
AMOUNT OF \$99,600 WAS MADE OUT TO MUSLIM MOSQUE NO. 26 AT SAN
FRANCISCO BECAUSE OF THREATS TO WRECK THE PROGRAM OR JEOPARDIZE
THE LIFE OF PATRICIA HEARST.

ON DECEMBER 19, 1974 THE SAN FRANCISCO OFFICE WAS SERVED
WITH TWO SUBPOENAS TO TAKE DEPOSITIONS (CIVIL) DUCES TECUM.
THE CHRONICLE PUBLISHING COMPANY WAS A DEFENDANT IN BOTH
SUBPOENAS AND JOSEPH X POLITE WAS A PLAINTIFF IN ONE AND
LEONARD X VAUGHN WAS A PLAINTIFF IN THE OTHER. THEY WERE
DIRECTED TO THE SAC AND DIRECTED HIM TO APPEAR ON DECEMBER 30, 1974
BEFORE A NOTARY PUBLIC IN THE LAW OFFICES OF FREDERICK P. FURTH,

MADE W. SHIFF, AND DANIEL S. MASON IN SAN FRANCISCO, AND
RING WITH HIM DOCUMENTS WHICH INCLUDE NOTES AND SOUND
RECORDINGS OF TELEPHONE CONVERSATIONS HELD BETWEEN THE PLAINTIFF
AND/OR AGENTS OF THE PLAINTIFF AND OFFICIALS OF THE PIN
PROGRAM DIRECTLY RELATIVE TO THE ISSUES OF THE CASE. A
DESCRIPTION OF THE DOCUMENTS INDICATE THEY ARE ALL DOCUMENTS
REFERRING TO THE PIN PROGRAM. SUBPOENAS ARE IN RELATION
TO AN ALLEGED LIBEL BY THE CHRONICLE IN PUBLISHING THE ABOVE
MENTIONED ARTICLE. LEONARD X. VAUGHN AND JOSEPH X POLITE
WRE KNOWN TO THIS OFFICE AS MEMBERS OF THE NATION OF ISLAM.

THE SAN FRANCISCO OFFICE DOES NOT HAVE ANY OF THE
ITEMS MENTIONED IN THE SUBPOENA AND WE HAVE SO ADVISED THE OFFICE
OF THE U.S. ATTORNEY WHO IN TURN ADVISED MR. FURTH SUPRA.
MR. FURTH THEN ADVISED THE U.S. ATTORNEY'S OFFICE THAT IT
WOULD BE SATISFACTORY FOR AN AGENT TO APPEAR AT HIS OFFICE
AND FURNISH A DEPOSITION WHICH WOULD SHOW THAT WE HAVE NONE
OF THE ITEMS MENTIONED IN THE SUBPOENA. THE U.S. ATTORNEY'S
OFFICE SUGGESTED THAT THIS COURSE OF ACTION SHOULD BE FOLLOWED
AND A REPRESENTATIVE OF THE U.S. ATTORNEY'S OFFICE WOULD
ACCOMPANY THE AGENT.

DECLARATION OF DANIEL S. MASON
IN SUPPORT OF APPLICATION FOR
A SUBPOENA DUCES TECUM PUR-
SUANT TO SECTION 1985, CODE
OF CIVIL PROCEDURE

I, DANIEL S. MASON, declare.

I am one of the attorneys for plaintiff in the
within action. I make this declaration in support of Plaintiff's
application, pursuant to Section 1985 of the Code of Civil
Procedure, for the issuance of a subpoena duces tecum directing
and ordering Charles W. Bates to produce for inspection and
copying at his deposition the documents described in the Appendix
attached hereto.

The within action is for alleged libel by de-
fendant The Chronicle Publishing Company.

1 The subject of the libel includes an article
2 published by defendant in its "San Francisco Chronicle" on
3 October 21, 1974, a copy thereof which is attached as Exhibit

4 A to the Complaint herein. The subject article accuses
5 Plaintiff of having extorted \$99,600 on behalf of Muhammad's
6 Temple No. 26 from the "People in Need" (PIN) program, or-
7 ganized in early 1974, in an effort to free Patricia Hearst.
8 The alleged defamation includes the statement that
9 (a)fter anguished discussion among themselves and with the
10 Hearst family, the PIN officials decided to capitulate and
11 pay the \$99,600 to Temple 26.

12 Plaintiff contends that, although the aforesaid
13 sum was tendered to Plaintiff, said sum was in payment for
14 food which Muhammad's Temple No. 26, through Plaintiff, had
15 given to the PIN program pursuant to the latter's request.
16 Plaintiff contends that the PIN officials understood at all
17 times that Muhammad's Temple No. 26 would be reimbursed for
18 the fair value of the food's cost.

19 5. All the documents described in the Appendix
20 attached hereto are directly relevant to the issues of this
21 case, are needed by Plaintiff to aid his preparation of the
22 case, and are not privileged. The documents, as defined in
23 the Appendix attached hereto, include notes and sound re-
24 cordings of telephone conversations held between Plaintiff
25 and/or agents of Plaintiff, and officials of the PIN program
26 directly relating to the issues of this case. These documents,
27 as defined in the Appendix attached hereto, further include
28 notes and sound recordings of telephone conversations between

1 Randolph Hearst and other members of the Hearst family
2 and plaintiff, and/or agents of the plaintiff, directly re-
3 lating to the issues of this case.

4 I declare under penalty of perjury that the fore-
5 going is true and correct.

6 Executed this 19th day of December, 1974, at
7 San Francisco, California.

AT NASHVILLE, TENNESSEE.

The following investigation was conducted by
SA [REDACTED] b7C

On November 19, 1974, a telephone call was received at the Nashville Resident Agency of the FBI from [REDACTED] b7C b7D [REDACTED] related that a client had appeared in his office late that afternoon and his client related that PATRICIA HEARST is residing in the Nashville, Tennessee area.

Immediate contact was made with [REDACTED] at his office where he introduced [REDACTED] as his client. [REDACTED] introduced himself as the business representative for [REDACTED] resides at [REDACTED] b7C b7D [REDACTED] According to [REDACTED] approximately one month ago at about 10:00 p.m. he was driving on Clay Street, Nashville, Tennessee, which is a black neighborhood, when he observed an attractive white female walking on the street. Thinking this young lady was in distress [REDACTED] stopped to offer assistance, at which time the young lady offered to have sexual intercourse with [REDACTED] for a fee. [REDACTED] declined the invitation and the young lady related that she was desperate for money to buy groceries for herself and her young child. [REDACTED] claimed to have driven the young lady to a grocery store where he bought her groceries then drove her to a residence north of Clay Street behind the Jewish cemetery. At the residence he observed a black man who was introduced as the young lady's husband and is apparently this young lady's "pimp." Also at this residence was a young female white child approximately six months old. The young lady, whose name he later learned was either CAMILLE or DARLENE, claimed the child was her own.

[REDACTED] returned to this residence on a number of occasions since first meeting the young lady, during which time the young lady committed acts of prostitution with [REDACTED] estimated he has been in the presence

of the young lady six to eight hours since they originally met, and he last visited this young lady at the residence Saturday, November 17, 1974.

He described this young lady as follows:

Sex:	Female
Race:	White
Age:	Approximately 20 or 21
Hair:	Dark brown, straight, worn long to approximately the middle of her back
Eyes:	Dark brown
Height:	5' 4"
Weight:	114 pounds
Build:	Slender
Complexion:	Fair
Peculiarities:	Large nose, appears to have been broken
Accent:	No noticeable accent

Earlier that day, November 19, 1974, [REDACTED] was in the Veterans Administration office, 8th Avenue and Broadway, when he began reading the April 29, 1974, issue of "Newsweek Magazine." The magazine contained a cover photograph of PATRICIA CAMPBELL HEARST and the photograph contained in the article convinced [REDACTED] that the girl he had been visiting and who he previously described is identical with Miss HEARST. After reading the article and viewing the photographs he recalls that this young lady he had been visiting has a dark mole on her chin, and from further recalls this young lady appeared to be well educated.

After looking at the photographs in this magazine [REDACTED] is convinced that the young lady he previously described is identical to PATRICIA CAMPBELL HEARST, and further he pointed to an artist's conception of a black male on page 27 of this magazine and related that the artist's conception is identical with the young lady's alleged husband and "pimp." [REDACTED] apparently failed to notice that the artist's conception was in a totally

57C
67D

different article and the person depicted in the conception is supposed to be the so called "Zebra killer," then operating in San Francisco, California. This fact was not brought to [REDACTED] attention.

He furnished a detailed description of the residence wherein the young lady resided as well as directions on locating this residence. [REDACTED] was informed that the FBI would resolve the identity of the young lady who resides at that residence, and at this time [REDACTED] became indignant because he was not invited to accompany the FBI on an immediate raid of the residence. [REDACTED] also inquired as to whether a reward had been offered for locating Miss HEARST, and he was informed that no such reward is presently outstanding. [REDACTED] was further informed that there had been a number of sightings of a person believed to be Miss HEARST throughout the United States and in every instance the identity of the person sighted had been resolved without the necessity of conducting a raid. [REDACTED] was informed that the FBI is well equipped to undertake the investigative procedures to resolve the identity of the young lady he previously described, and at this point [REDACTED] related that he was late for a business appointment and excused himself.

Prior to leaving [REDACTED] office [REDACTED] was cautioned by [REDACTED] to say nothing about this to anyone else and that the situation would be completely resolved by the FBI without any further assistance from [REDACTED]

During the course of the interview [REDACTED] was shown three photographs of PATRICIA CAMPBELL HEARST, one taken January, 1971; a profile view taken February, 1972; and another photograph taken December, 1973. [REDACTED] claimed that the young lady who he believes is identical with Miss HEARST more nearly resembles the photograph taken January, 1971, and the profile view of Miss HEARST taken February, 1972.

At approximately 9:30 p.m. that same evening, SA [REDACTED] received a telephone call from Detective SHERMAN NICKENS, Nashville Metropolitan Police Department who related that [REDACTED] appeared at the Police Department at approximately 4:30 p.m. earlier in the day. Taking into consideration the time that [REDACTED] was interviewed

b7C
b7D

In his attorney's office it is apparent that [REDACTED] went directly to the Nashville Metropolitan Police Department from [REDACTED] office, and most probably arrived at the Police Department prior to SA [REDACTED] departing [REDACTED] office. According to Detective NICKENS, [REDACTED] related the same story concerning the sighting of Miss HEARST with additional elaborations which included a description of the unknown young lady that more nearly resembled the description of Miss HEARST which [REDACTED] apparently remembered from a wanted flyer shown him by SA [REDACTED]. Detective NICKENS claimed that someone had called Chief of Police JOE D. CASEY, who was attending a conference in California, and Chief CASEY returned the call to Nashville instructing Detective NICKENS to "handle" the reported possible sighting of Miss HEARST in Nashville, Tennessee. Detective NICKENS made inquiry in an effort to identify the person who called Chief CASEY without success.

Detective NICKENS was informed that the information furnished him by [REDACTED] was previously furnished to the FBI and that the identity of the young lady described by [REDACTED] would be resolved by the FBI. It was brought to Detective NICKENS' attention that the artist conception of the black man in the "Newsweek Magazine" which [REDACTED] related was with the alleged Miss HEARST has no apparent connection with Miss HEARST and is an artist conception of the "Zebra killer," operating within the San Francisco, California, area. Detective NICKENS intended to obtain a search warrant for the residence described by [REDACTED] however, inasmuch as this information had been furnished to the FBI and that the FBI intended to investigate the claims made by [REDACTED], Detective NICKENS intended to take no further action in the matter. However, Detective NICKENS explained if any further action is indicated he would immediately contact SA [REDACTED] prior to making any decisions on additional action.

On the morning of November 20, 1974, "The Tennessean", a Nashville daily newspaper, entered a front page story describing a raid by the Nashville Metropolitan Police Department, led by Detective SHERMAN NICKENS, wherein the residence at 2020 15th Avenue North, Nashville, Tennessee, was entered by a large group of police officers who received a "tip" that PATRICIA CAMPBELL HEARST was

57C
b7D

residing at that residence. According to the newspaper article Miss HEARST was not located at the residence and that persons residing in the residence claimed a young white female, who resembled Miss HEARST, departed that residence some two weeks ago. The source of the police information was described as "a grocery store delivery boy who delivered the groceries to the residence."

The following investigation was conducted by SAs [redacted] and [redacted]

On November 20, 1974, [redacted] 2020 15th Avenue North, advised she moved into that residence two or three weeks ago. Prior to that date the residence was occupied by [redacted] a black male, age 25 who is presently in the Davidson County Jail. She had been at the residence when [redacted] resided there and living with [redacted] at the time was a white female she believes was called "MARY ANN," who was supposedly married to a black male known as "SHORTY" and "LACEY." "MARY ANN," she recalls, worked at a massage parlor in Nashville, Tennessee, and she suspected "MARY ANN" was probably a prostitute. She recalls that "LACEY" drove an old medium size automobile white in color with a Florida tag. [redacted] related that "MARY ANN" and "LACEY" left that residence over two weeks ago in "LACEY's" automobile. [redacted] also recalls that "MARY ANN" had a small white child approximately five months old, but [redacted] did not know the gender of this child.

[redacted] described "MARY ANN" as follows:

Race:	White
Sex:	Female
Age:	18 to 20
Hair:	Medium brown, worn long and straight
Height:	5' 4" to 5' 5"
Weight:	120 to 130 pounds
Build:	Medium, definitely not slender
Complexion:	Fair to medium
Scars and Marks:	Large black mole on right cheek

b7c
b7D

[REDACTED] recalls when "MARY ANN" and "LACEY" first moved into that residence they were accompanied by another white female approximately 20 years of age who also had a small child. [REDACTED] remembers that a Vice Squad officer from the Nashville Police Department came to the residence shortly after "MARY ANN LACEY" and the other white girl moved in to take custody of the small child of the other white girl who refused to return to the residence. SA [REDACTED] at this point recalls being present at an interview in the Nashville Resident Agency during which time a young white female claimed that she had been kidnaped by a black man in Toledo, Ohio, and this black man was holding her child in a residence in north Nashville, Tennessee.

[REDACTED] was shown photographs of PATRICIA CAMPBELL HEARST, and although [REDACTED] does not think "MARY ANN" is identical with Miss HEARST, [REDACTED] feels that "MARY ANN" "favors" Miss HEARST.

A review of the Memphis Division files disclosed on September 23, 1974, [REDACTED] appeared at the Nashville Resident Agency claiming that on September 11, 1974, [REDACTED] forced her and her three month old daughter [REDACTED] to accompany [REDACTED] to Nashville, Tennessee, for the purpose of prostitution. [REDACTED] and [REDACTED] were accompanied to Nashville, Tennessee, by a white female introduced as [REDACTED] who had a small female child named [REDACTED]. According to [REDACTED] she obtained employment at the Magic Touch Massage Parlor in Nashville, Tennessee, and [REDACTED] was required to turn all money earned by herself over to [REDACTED].

[REDACTED] further related that [REDACTED] obtained employment at Brandy's Massage Parlor on Church Street, Nashville, Tennessee, and when first they arrived in Nashville, Tennessee, they resided in room 108, Scottish Inn Motel on Main Street. They later moved to 2020 15th Avenue North, Nashville, Tennessee, and after six days [REDACTED] returned to Toledo, Ohio, without her child. After notifying her husband [REDACTED] a black male, of the circumstances they returned

b7c
b7D

to Nashville, Tennessee, in an effort to obtain custody of [REDACTED] who was being held by [REDACTED] at 2020 15th Avenue North. [REDACTED] further related that [REDACTED] was driving a 1965 white Ford Falcon bearing Florida license tags.

Investigation by the Cleveland Division disclosed that [REDACTED] a Negro male born August 21, 1945, FBI Number [REDACTED] had an extensive arrest record at Toledo, Ohio, and two warrants were presently outstanding at Toledo, Ohio, for [REDACTED]. It was also disclosed that [REDACTED] had a number of arrests at Toledo, Ohio, which included arrests for prostitution.

On September 23, 1974, Mr. CHARLES H. ANDERSON, United States Attorney, Middle District of Tennessee, Nashville, Tennessee, declined prosecution of [REDACTED] in that the statement furnished by [REDACTED] did not appear factual and that the case lacked prosecutive merit.

On November 20, 1974, [REDACTED] Brandy's Massage Parlor, 1400 Church Street, advised [REDACTED] first started working at that massage parlor approximately one week after the massage parlor opened, which was on September 11, 1974. [REDACTED] worked three weeks, and then [REDACTED] had to terminate [REDACTED] employment because of trouble with the police involving [REDACTED] husband [REDACTED] a black male.

[REDACTED] first met [REDACTED] at the Burger Boy at 12th Avenue North and Jefferson Street, Nashville, Tennessee, at which time [REDACTED] claimed she needed work. [REDACTED] invited [REDACTED] to work for him at the massage parlor, which offer [REDACTED] accepted. [REDACTED] advised [REDACTED] had a baby daughter approximately three months old named [REDACTED] and that [REDACTED] resided at 2020 15th Avenue North in Nashville, Tennessee.

According to [REDACTED] the trouble with the police involving [REDACTED] concerned a U-Haul trailer loaned by [REDACTED] to some young black males who apparently used the U-Haul trailer in perpetrating a burglary.

b7c
b7D

[REDACTED] recalls that everyone who resided at 2020 15th Avenue North at the time was taken to the Metropolitan Police Department for questioning and that [REDACTED] was continually going to and from the Metropolitan Police Department concerning the burglary matter. For this reason [REDACTED] found it expedient to discharge [REDACTED]

[REDACTED] recalls [REDACTED] claiming to have come from Florida, possibly Miami, and [REDACTED] claimed that he and [REDACTED] ran a motel in that city. According to [REDACTED], on one occasion, brought another white female to the massage parlor and introduced this woman as [REDACTED] claimed that [REDACTED] was her cousin, and [REDACTED] also had a small baby named [REDACTED]

Both [REDACTED] later learned that [REDACTED] and [REDACTED] were not, in fact, married, but were living in a common law relationship. According to [REDACTED] returned to work at the massage parlor on October 29, 1971, and on the same night [REDACTED] stole some money from a customer. For this reason [REDACTED] fired [REDACTED]. The following day [REDACTED] and [REDACTED] told them they were leaving Nashville, Tennessee, and going to possibly Cincinnati, Ohio.

According to [REDACTED] when first discharged from that massage parlor, obtained employment at Bunnie's Massage Parlor, which has since closed. The massage parlor was run by [REDACTED]

[REDACTED] also recalls that [REDACTED] left [REDACTED] for a few days with a babysitter named [REDACTED] who resides at [REDACTED] Nashville, Tennessee.

[REDACTED] described [REDACTED] as follows:

Race:	White
Sex:	Female
Age:	23
Hair:	Medium brown, long and straight

b7C
b7D

Eyes:	Dark brown
Height:	5' 2"
Weight:	120 pounds
Build:	Medium build, large bosom and "top heavy for size"
Complexion:	Fair
Scars and Marks:	Small dark brown mole on cheek left of mouth
Peculiarities:	Extremely long nose

[redacted] were shown three photographs of PATRICIA CAMPBELL HEARST and they advised that [redacted] is definitely not identical with Miss HEARST. According to both [redacted] bears "no resemblance whatsoever" with Miss HEARST.

On November 21, 1974, [redacted] attorney, [redacted] advised [redacted] invited [redacted] to attend a television interview of [redacted] informed [redacted] that he felt [redacted] was being very foolish and cautioned [redacted] about obtaining public exposure in regard to this matter. [redacted] declined to accept his counsel and for this reason, coupled with the information that [redacted] not only went directly to the Police Department following the FBI's interview with [redacted], he was of the opinion that [redacted] was not sincere in his alleged sighting of Miss HEARST and believes [redacted] is merely seeking notoriety.

[redacted] also related that [redacted] informed him that it was [redacted] who called Chief of Police JOE CASEY in California, and [redacted] thereafter did not tell the investigating officer that he had called Chief CASEY.

On November 22, 1974, [redacted] appeared at the Nashville Resident Agency and informed SA [redacted] that two people at Potts Drive-In Market, 18th Avenue North and Clay Street, near 2020 15th Avenue North, positively identified the "Newsweek Magazine" photograph of PATTY HEARST as someone having been at that drive-in market. Also, according to [redacted] the owner of the Cartel Motel, Germantown Hill, after being shown the "Newsweek Magazine" photographs of Miss HEARST claimed

ME 7-998

b7C
b7D

Miss HEARST was at that motel during the week of the disc jockey convention.

[REDACTED] admitted that the girl he is referring to and the girl the people at the grocery store and the motel are referring to is the same girl that [REDACTED] informed the police department was living at 2020 15th Avenue North, Nashville, Tennessee.

conversion if he was interested enough in the modification. The individual designer probably had military experience with the M-1 and M-2 carbine. If he had been more of a competent gun-smith, however, [REDACTED] felt it was possible to modify weapons, additionally, and obtain a cyclic rate of 1500 rounds per minute. This modification would have included increasing spring tension and enlarging the gas chamber. [REDACTED] also felt modification of this weapon to a cyclic rate of 1200 served little purpose as it results in uncontrolled fire in its current modification. When asked concerning individuals capable of such modification and engineering design he reiterated that any good gun-smith could accomplish it if so inclined and felt identification of fabricator or engineer would be virtually impossible with the current information available.

At the recommendation of [REDACTED] telephone number [REDACTED] was telephonically contacted on December 16, [REDACTED] was indicated to be one of the most capable and knowledgeable ordinance engineers in California.

[REDACTED] He stated he did not feel conversion of the weaponry to 1200 rounds per minute cyclic rate was particularly significant as testing indicated the weapon was capable of 1500 to 1800 round per minute in an uncontrolled fire situation. He said there are numerous weapons extant and many individuals experiment on them with respect to conversions. Any competent qualified gun-smith could modify the weapon. He could provide no insight into any specific individual who might have been involved in the modification. [REDACTED]

Los Angeles will maintain contact with ATF, Los Angeles, and LAPD re this matter.

As may be recalled, on 5/17/74, a raid was conducted at 833 West 84th Street, Los Angeles, California, by our Los Angeles SWAT Team. This raid was under the direction and supervision of ADIC, Los Angeles and was assisted by a SWAT Team from the Los Angeles Police Department (LAPD). This residence was raided in an attempt to effect the arrest of members of the Symbionese Liberation Army who had been identified as residing at this location. This raid preceded the Symbionese Liberation Army shootout on 5/17/74, on East 54th Street directed by the LAPD.

SAC, Los Angeles, by letter, copy attached, has submitted an SF-95, also attached, signed by the owner of this residence to recover for damages caused to the house during the raid. The damage is shown as to interior walls, ceilings, and floors which would entail replacing with drywall and tile, painting interior and exterior, and replacing damaged siding. Additionally, damage was done to doors and windows and checking of plumbing and electricity throughout. The claim is for \$6,985. The damage was done by Special Agents in the line of duty and no negligence on the part of these Special Agents existed. The claim is reasonable and SAC, Los Angeles recommends payment and the General Investigative Division concurs. 7-15200-2977 DEC 30 1964

RECOMMENDATION: That the claim for damages be approved and if approved, that the Administrative Division instruct ADIC, Los Angeles, to make payment from its Confidential Fund and to obtain required release.

Mr. Clarence Kelly
Dear Sir

In response to your appeal in True magazine the following information in regard to Patricia Hearst and the Harris Couple. The past nine months I have experimented with a method of locating lost, buried or substances by natural deposited in the ground.

To separate this letter from crumb letters of a questionable source I have an I.Q. of 139 and was in naval air service during war of 1942-45.

The results of my findings are as follows

These three people are in Kingman, Arizona Area. Northeast section from center of town. Probably within 10 mile area.

There is to me a strong possibility of Patricia Hearst having been buried in this area about August 1, 1974, and the move to this area was prior to this time. According to State road map of Arizona Kingman is less than 10,000 population and should not take very long to check out.

Enclosed for Albuquerque are two copies of above Bureau enclosure number two, glossy photograph of [REDACTED] and one sheet containing Xerox copies of photographs of the HEARNAP fugitives.

Enclosed for Los Angeles is one copy of above Bureau enclosures number one, number two and number three. Also enclosed are three copies of above Bureau enclosures number four, number five and number six. Also enclosed are above enclosures number seven.

Enclosed for San Diego are two copies of above Bureau enclosure number three and one copy of a glossy photograph of [REDACTED] together with one sheet containing Xerox copies of HEARNAP fugitives.

Enclosed for San Francisco are two copies of Bureau enclosure number one and same enclosures as sent to the Bureau in Bureau enclosures number two through number seven.

For information of Albuquerque and San Diego, WFO is reviewing all passport applications that were applied for through the San Francisco and Los Angeles Passport Office from 5/17/74-7/31/74. This is done since the HARRISEs and HEARST could conceivably have attempted to obtain false passports utilizing established illegal means; for example, using deceased infants birth certificates.

ADMINISTRATIVE:

For the information of the Bureau, WFO anticipates being finished reviewing passport applications on or about 1/17/75.

It is pointed out to receiving offices that enclosure on [REDACTED] shows him as having SSAN [REDACTED]. As receiving offices are aware this SSAN which bears the middle two digits of [REDACTED] is a recently issued one. It is not common to see a 28 year old man just applying for a Social Security Account Card. It should also be noted that [REDACTED] possesses California State Identification Card Number [REDACTED] expires 1979. It is obvious that this card is newly issued.

WFO -1201

DISCRETION IN CONDUCTING INVESTIGATION INVOLVING LEADS OBTAINED FROM UNITED STATES PASSPORT OFFICE IS MANDATORY. EXTREME CARE MUST BE UTILIZED IN DISPLAYING PHOTOGRAPHS MADE FROM PASSPORT APPLICATIONS SO THAT INDIVIDUALS BEING SHOWN THE PHOTO CANNOT REALIZE THE SOURCE OF THE PHOTO. IT SHOULD NEVER BE DIVULGED THAT THE UNITED STATES PASSPORT OFFICE IS FURNISHING INFORMATION TO THE BUREAU, TO ANYONE OUTSIDE THE BUREAU. IF PASSPORT INFORMATION IS QUOTED IN A DISSEMINATED COMMUNICATION, THE SOURCE SHOULD BE SHOWN AS, "UNITED STATES GOVERNMENT RECORDS" AND THE PASSPORT OFFICE BE IDENTIFIED AS THE SOURCE ONLY ON THE ADMINISTRATIVE PAGES.

I am now in the penitentiary, but a month ago I was not, however my information is correct and can be easily verified. I will not talk to any law enforcement agency! If one eventually contacts me I shall deny any knowledge of Patty. I will talk to your people or to an attorney of your choice, but no police. If this is agreeable to you, then please send in the Richmond Times Dispatch Second Column as follows:

RE: LETTER FROM CLEVELAND, OHIO, POSTMARKED
DECEMBER 30, 1974.

ON JANUARY 2, 1975, CHARLES GOULD, "SAN FRANCISCO
EXAMINER", MADE AVAILABLE AN ENVELOPE POSTMARKED CLEVELAND,
OHIO, DECEMBER 30, 1974, RECEIVED AT THE PAPER ON JANUARY 2,
1975, CONTAINING A TYPED LETTER TO MR. RANDOLPH HEARST SIGNED
"S.L.A." THE LETTER CLAIMS THAT PATRICIA HEARST HAS BEEN WITH
THEM ALL THE TIME AND THAT THEY WOULD TURN PATRICIA OVER TO

PAGE FOUR SF 7-855

HER FATHER FOR A PRICE. HEARST WAS INSTRUCTED TO GO TO CLEVELAND, OHIO, TO BE THERE NO LATER THAN 8:00 PM JANUARY 4, 1975, AND HE WAS FURTHER INSTRUCTED TO GO TO THE PHONES BY THE BANK ON THE GROUND LEVEL. (APPARENTLY IN THE CLEVELAND AIRPORT). HE WAS FURTHER INSTRUCTED TO BRING ALONG \$250,000 IN SMALL BILLS AND WAS WARNED, "IF YOU THINK YOUR MONEY IS MORE IMPORTANT THAN SHE IS, THEN DON'T SHOW UP AND YOU WILL LIVE TO REGRET IT". RANDOLPH HEARST HAS NO INTENTION OF MEETING DEMANDS IN THE ABOVE LETTER OR TRAVELING TO CLEVELAND, OHIO. IT IS AGREEABLE WITH MR. HEARST FOR THE FBI TO TAKE ANY ACTION DEEMED NECESSARY IN THIS MATTER. THE CLEVELAND DIVISION IS MAKING ARRANGEMENTS TO GIVE THIS MATTER FULL COVERAGE AND A TELEPHONE CALL FOR MR. HEARST AT THE AFOREMENTIONED LOCATION WILL BE ANSWERED BY AN AGENT IDENTIFYING HIMSELF AS CHARLES GOULD, A CONFIDANT AND FRIEND OF HEARST. THIS METHOD OF ANSWERING THE PHONE WAS CHOSEN BECAUSE RANDOLPH HEARST'S PICTURE HAS BEEN PROMINENTLY PROVIDED THROUGHOUT THE COUNTRY AND THE WRITER OF THE NOTE COULD BE IN A POSITION TO IDENTIFY THE PERSON ANSWERING THE CALL BY SIGHT. THE

PAGE FIVE SF 7-855

CLEVELAND OFFICE, FOR PURPOSES OF VERIFYING THE FACT THAT THE WRITER OF THE NOTE IS IN CONTACT WITH PATRICIA HEARST, HAS BEEN FURNISHED PERTINENT IDENTIFIERS FOR PATRICIA HEARST FROM THIS OFFICE.

THE ORIGINAL LETTER AND ENVELOPE HAVE BEEN FORWARDED TO THE FBI LABORATORY FOR LATENT FINGERPRINT EXAMINATION AND TYPEWRITER ANALYSIS.

One additional copy of this communication is being submitted to the Bureau specifically for the attention of the Fugitive Publicity Section.

For information of the Bureau and San Francisco, headquarters of Manpower International, Inc. is located at 5301 N. Ironwood Road, Milwaukee.

67C Milwaukee has, during the past six months, been attempting to establish a proper liaison with Manpower, and it was determined that before decisions were made by the President or Vice President of Manpower, Inc. concerning Bureau fugitives these individuals always consulted [REDACTED]. Accordingly, [REDACTED] has been targeted by SA [REDACTED] and in very selective instances such as Top Ten fugitives, or in a major case such as HEARNAP, [REDACTED] will personally place a subject's photograph, background, and description in North American News, which is a publication within Manpower International, Inc. This publication is read by Manpower employees all over the world.

Manpower has approximately 500 offices and sub-offices throughout the U.S., and in addition has offices in Mexico, Canada, and for all practical purposes all over the world.

On 12/19/74 SA [REDACTED] consulted [REDACTED] concerning the feasibility of either mailing wanted flyer # 475A throughout Manpower, or publishing it in North American News. Mr. [REDACTED] stated North American News is read by all Manpower employees who have any contact with transient temporary labor-type individuals, and he is completely agreeable to publication of wanted flyer # 475A concerning PATRICIA HEARST, WILLIAM HARRIS and EMILY HARRIS. Accordingly, UACB or San Francisco, wanted flyer # 475A will be placed in North American News for dissemination by Manpower all over the world.

It is noted this will be done free of any cost to the Bureau, and it is felt this will assist in a saturation-type publicity concerning these subjects, which is most desirable in view of the background showing the possibility the subjects might apply for temporary or transient-type employment. It is further noted Milwaukee had taken steps to establish the same thing concerning former Top 10 fugitive RUDOLPH ALONZO TURNER; however, before publication TURNER was apprehended and investigation was discontinued.

For further information of the Bureau, in highly selective instances, the Bureau may desire to have Milwaukee contact [REDACTED] in future matters of nation-wide interest such as the HEARNAP case.

Milwaukee will furnish wanted flyer # 475A to Mr. [REDACTED] and it will be determined when it will be incorporated into the North American News. [REDACTED] will be requested to furnish that copy of the North American News to Milwaukee, UACB. OK

MONTHLY SUMMARY

For information of Bureau and receiving offices, Nevada has no abortion clinics since abortions are legal in Nevada. However, all hospitals in the State of Nevada have been contacted with negative results and photographs of PATRICIA HEARST were left with hospital personnel.

Informants in the Nevada area who would be familiar with groups such as SLA were recontacted during December, 1974 with negative results.

Las Vegas Office was in receipt of several phone calls from individuals who stated that they observed an individual who looked like PATTY HEARST and all these telephone calls were checked out with negative results.

The following investigation was conducted by
SA [REDACTED] at Richmond, Virginia, on January 7,
1975:

A discreet inquiry was made of key personnel
at the Virginia State Penitentiary (VSP), 500 Spring

[REDACTED] that he could furnish
information which would lead to the location and apprehension
of PATRICIA HEARST.

The following individuals were contacted:

All of the above individuals were of the opinion
that [REDACTED] is sane and intelligent. They described him
as "slick" and a "cool manipulator", who is known to be a
"wheeler dealer" or "fix-it man" within the walls. It is
common knowledge among the inmates that [REDACTED] is the
one to contact if they want something done which cannot
be accomplished through channels. [REDACTED] takes pride
in this and brags about it.

67C
67D

[REDACTED] advised [REDACTED] among others,
is currently under investigation in connection with the
large scale smuggling of drugs into the Penitentiary.
[REDACTED] is reported to have numerous outside connections
with respect to drugs and related activities, however, he
is not known to have any connections outside the State of
Virginia.

[REDACTED] advised that he currently
maintains a "psychological hold" on [REDACTED] which prevents
his transfer from the main Penitentiary to a field unit.

Re monthly summary airtel of investigation conducted by the Chicago Division during the month of December, 1974.

Intensive investigation has continued in the Chicago Division and look-a-like reports have been promptly resolved.

Chicago Agents familiar with the New Left Extremists-False Identity Program have continued to be alert for any information which could possibly involve subjects of this matter. Weatherman investigation in past determined Weathermen obtained several names of deceased infants from the same cemetery and then obtained false identifications. Inasmuch as WILLIAM HARRIS obtained a drivers license in the name of RICHARD FRANK DENNIS, a deceased infant from Oakland, San Francisco, if not already done, should determine where DENNIS is interred and conduct investigation to determine if identifications of other infants buried in the same cemetery were obtained.

the typewriting on Q1933 and Q1934 with typewriting on these
previously submitted items which indicate Q1933 and Q1934
were probably not prepared by the typewriter or typewriters

Monthly Summary of Investigation by Jackson Division

During December, 1974, and January, 1975, contact has been maintained with leading car rental agencies, police departments, hospitals, law enforcement agencies, employment agencies, and other logical businesses and sources in an effort to develop new information concerning PATRICIA HEARST, WILLIAM HARRIS, and EMILY HARRIS.

All FBI Agents of the Jackson Division have been furnished copies of wanted flyer number 475A concerning captioned matter and these wanted flyers have been distributed to law enforcement agencies and posted in prominent places in each law enforcement agency in order that every officer will be aware of the fugitive status of PATRICIA HEARST and the HARRISES. In addition, all news media have been furnished copies of wanted flyer number 475A and spot announcements by these news media in Mississippi have failed to develop any specific information which would assist in locating PATRICIA HEARST or the HARRISES.

On 12/15/74, [redacted] Laurel, Mississippi, furnished information regarding unknown white female observed near Jackson, Mississippi, believed by her to resemble PATRICIA HEARST. She furnished automobile license

number in which unknown white female was traveling and investigation pending at Columbia, Mississippi, to identify unknown white female who accompanied several black males and females to the Mississippi State Penitentiary in December, 1974, allegedly to visit friends and relatives incarcerated at the Mississippi State Penitentiary. Driver of above vehicle observed near Jackson, Mississippi, has been interviewed by New Orleans Division and denies that unknown white female in his car was PATRICIA HEARST but claims he does not know her identity but furnished specific lead at Columbia, Mississippi, where her identity can be determined.

On 12/12/74, an employee of the Alcohol, Tobacco and Firearms Bureau made NCIC inquiry concerning PATRICIA HEARST; however, official at Alcohol, Tobacco and Firearms, Jackson, Mississippi, advised subsequently that NCIC inquiry made by mistake and Alcohol, Tobacco and Firearms has no information whatsoever regarding possible whereabouts of PATRICIA HEARST or the HARRISEs.

On 1/5/75, [redacted] police officer, Jackson Police Department, Jackson, Mississippi, advised he had heard from [redacted] at the Mississippi Baptist Hospital, Jackson, Mississippi, that an individual who resembles PATRICIA HEARST has been seen recently in the company of an adult black male visiting a sick child at this hospital. b7C b7D

[redacted] Mississippi Baptist Hospital, advised on 1/6/75 that [redacted] and the sick child referred to who is a patient at this hospital is [redacted] age five, born 8/9/69, with residence shown on record as [redacted] Jackson, Mississippi. [redacted] licensed practical nurse, Children's ward, Mississippi Baptist Hospital, Jackson, Mississippi, observed photographs of PATRICIA HEARST and the HARRISEs on 1/6/75 and advised that white female visiting above child at this hospital recently in company of a black male who appeared to be her husband or boyfriend, is definitely not identical with PATRICIA HEARST, is much older, much heavier, and has a complete different description from PATRICIA HEARST.

J 7-371

Future investigation by Jackson Division in this matter will include continued contacts with all leading car rental agencies, hotels, motels, hospitals, law enforcement agencies, camping supply businesses, news media and sources likely to encounter transient persons in Mississippi. Contact also being maintained with educational institutions, welfare organizations, as well as state and local organizations, which might be in a position to have information concerning persons with background similar to PATRICIA HEARST and the HARRISEs.

 born 5/23/27, now residing at [REDACTED]
 [REDACTED] San Francisco, California.

[REDACTED] was adamant in refusing to be interviewed
 other than by telephone. During telephonic contact she was
 rambling and incoherent and had no specific information con-
 cerning the whereabouts of the three SLA fugitives other than
 her claim that WILLIAM and EMILY HARRIS had frequented 340

Dear [REDACTED]

As you know by now I am extremely interested in getting together with you, but inasmuch as I have just returned from a trip to the Midwest and one to the Coast pursuing information on the whereabouts of the missing subject, I must ask you to await word from me on the planning of our get-together.

And, as I have told each and every one of those who have contacted me and with whom I have spent some time, I will do all I can--based on the information you can give me and any additional information I can develop from that--in helping you to secure the \$5,000. To that end, [REDACTED] I will see you, but can not, for obvious reasons, give you any monies at that time.

Therefore, if you still desire to meet with me and I can schedule it in the next week or so, I would like to pursue the matter. Please let me know immediately.

Looking forward to your answer, I remain,

Sincerely yours,

By letter over Mr. Kelley's signature dated 11-18-74, we requested from KGO-TV (ABC) in San Francisco permission to view film footage in their files pertaining to the incidents surrounding the kidnaping of Patricia Campbell Hearst. The purpose of requesting this film was so that appropriate personnel from the General Investigative and External Affairs Divisions and other FBI officials could make a determination if such film could be adapted for television publicity on the Hearnap fugitive matter.

This film has been received at FBIHQ together with the attached letter from KGO-TV, which letter has been acknowledged by our San Francisco Office. The material relating to the Hearnap case is contained in a 50-minute video tape documentary entitled "Whatever Happened to Patty Hearst?" This film has been shown only in the San Francisco area in August, 1974. The Laboratory Division advises that the copy of this tape is in color but shows better on black and white television receivers.

The video tape portrays the Hearnap matter in fast-moving detail beginning with the killing of Dr. Marcus Foster in November, 1973, through events in Los Angeles in May, 1974. With few exceptions, the film is accurate, thought-provoking, and professionally superior. It contains a considerable amount of newsreel footage and is considered both interesting and informative.

MEMORANDUM TO MR. MC DERMOTT
RE VIDEO TAPE RE HEARNAP

In our continuing efforts to provide maximum support to the General Investigative Division in publicizing the Hearnap case, we obtained this film and have shown it to some interested supervisory personnel in the General Investigative, Intelligence and Special Investigative Divisions. Realizing that there are some legal and technical considerations in the use of this commercial film, we are seeking all valid means of utilizing it to achieve forceful, meaningful publicity in the Hearnap matter.

If the Director wishes, arrangements can be made for a showing of this documentary in his office at his convenience, which showing could also include other interested high-level Bureau officials.

RECOMMENDATION:

That, if the Director wishes to view the documentary, a time and date be designated, noting that the film runs approximately 50 minutes.

Dear Sir,

I have read your article in the December 74 Argus on the case of Patty Hearst and her partners. I am not interested in what happens to her. My first encounter with her was in Long Beach Calif. I would rather not discuss the incriminating circumstances of the matter. However I do know of her present whereabouts. She has departed from Mr. Bill Harris and Emily. I am sure needs medical attention.

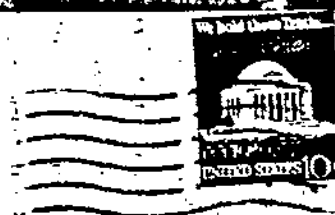

I also know of the so believed kidnap, which was nothing but a fake front for money for the S.A. Emily better known to me as Yolanda needs more money for plastic surgery in order to take with her disguise. They have now linked with a more professional felonist. He is in search for money and extreme good with firearms. He is a cocaine addict and potentially dangerous. EX 104 7-15200-406

Several inmates at the Chillicothe Correctional Institute (CCI), Chillicothe, Ohio, were interviewed. As to information provided that these individuals assisted subjects in Cleveland last year. Investigation by the Cincinnati Division determined these individuals were all incarcerated at the time they reportedly assisted PATRICIA HEARST. These individuals were all self-admitted Sunni Muslims.

Cincinnati sources have been constantly advised of Bureau interest in locating these fugitives. However, to date, sources have been unable to provide any positive information regarding these individuals. Cincinnati will continue to provide expeditiously handling leads regarding this matter, and continue to distribute wanted flier and maintain contacts with any establishments that it believes subjects may possibly come in contact with.

RE: LETTER FROM CLEVELAND, OHIO, POSTMARKED DECEMBER 30,
1974.

THE LETTER IN ABOVE REFERENCE WAS ADDRESSED TO RANDOLPH HEARST AND SIGNED "S.L.A." AND DEMANDED \$250,000 AND CONTAINED THE PAY-OFF PLAN IN CLEVELAND. THE CLEVELAND OFFICE COVERED THE PAY-OFF PLAN AND AN AGENT POSING AS CHARLES GOULD, A HEARST ASSOCIATE, WAS CONTACTED TELEPHONICALLY BY AN UNSUB THEN DIRECTED TO ANOTHER PHONE AND ULTIMATELY DIRECTED TO A FINAL PAY-OFF SPOT WHICH WAS COVERED BY SPECIAL AGENTS OF THE CLEVELAND DIVISION. THE PACKAGE WAS DROPPED AND DURING THIS TIME A NUMBER OF PHONE CALLS WERE RECEIVED FROM UNSUB BY AGENT DURING WHICH UNSUB STATED ALL BUSINESS WOULD HAVE TO BE FACE TO FACE. INVESTIGATION CONTINUES IN THE CLEVELAND DIVISION TO IDENTIFY UNSUB.

DIVISION IN RESPONSE TO A SUBPOENA, FURNISHED A DEPOSITION TO ATTORNEYS FOR THE PLAINTIFF INDICATING THAT THE SAN FRANCISCO OFFICE HAS NO RECORDINGS OR DOCUMENTS RELATING TO CAPTIONED SUIT OR THE PEOPLE IN NEED (PIN) PROGRAM. AT THAT TIME, ATTORNEYS FOR THE PLAINTIFFS INDICATED THEY WISHED THE AGENT ON DUTY AT THE HEARST HOUSE DURING THE PIN PROGRAM TO VOLUNTARILY FURNISH A DEPOSITION. ON JANUARY 7, 1975, THE U.S. ATTORNEY'S OFFICE ADVISED THAT THEY HAD TOLD THE ATTORNEYS FOR THE PLAINTIFFS THAT FBI AGENTS WOULD NOT VOLUNTARILY GIVE FURTHER TESTIMONY IN CONNECTION WITH THIS CIVIL SUIT. THE ATTORNEY FOR THE PLAINTIFFS STATED THAT ANOTHER SUBPOENA WOULD NOT BE ISSUED AND HE WOULD REQUEST NO FURTHER TESTIMONY FROM THE FBI AGENTS.

RE: MONTHLY SUMMARY

During the month of December, 1974, the Oklahoma City Division conducted numerous investigations concerning "look alike" referrals. These were resolved as not being identical with any of the subjects in captioned matter.

It is the opinion of the Oklahoma City Division that the populace in the State of Oklahoma is very much aware of the Hearst kidnaping and they continue to respond promptly when it is felt some pertinent information concerning the case might be furnished.

The importance of captioned matter is realized by the Oklahoma City Division and it does, of course, continue to receive preferred attention. Any pertinent information received is immediately reported.

(SUMMARY OF INVESTIGATION, DECEMBER, 1974)

ReSJairtel to Bureau, 12/12/74.

During December, 1974, the San Juan Division completed a review of drivers license applications in the United States Virgin Islands regarding captioned matter, with negative results.

Copies of WF 475A were mailed to appropriate officials at all district jails in Puerto Rico.

Personnel at U. S. Customs offices in Puerto Rico were furnished copies of WF 475A in view of the fact that all passengers arriving in Puerto Rico from the United States Virgin Islands and abroad by common carrier are subject to search by customs officers. During December, San Juan continued to receive anonymous calls regarding the subjects. Investigation was immediately instituted regarding these calls with negative results.

REC-106 7-15200-4086
All individuals who bore resemblance to the subjects, as determined from the Department of Motor Vehicles review in San Juan, have now been eliminated as suspects.

Investigation continuing at San Juan.

A Town & County trailer owned by [REDACTED] was located at the Hot Springs Boat Landing on the west side of a dirt road approximately five miles northeast of T or C, New Mexico. Trailer is located in a remote area near the Elephant Butte Lake, T or C, New Mexico, Sierra County. Trailer is one of several utilized by individuals as summer vacation homes at The Elephant Butte Lake. Trailer, according to the owner, has been abandoned since 9/74, as are all trailers, in the area, according to local Sheriff CHARLES COX.

COX advised breakins of these trailers during the winter months has been an annual and typical problem in the country.

A recent snow storm in the area covered the vicinity with snow and local examination revealed there was no current activity in the area and only the footprints of the owner, [REDACTED] appeared in the vicinity re trailer. There were no individuals currently residing in the area available for interview. b7c

Several windows in the trailer were broken and the rear door of the trailer was not locked nor could it be locked.

Bedding inside the trailer was still strapped on top of the beds and no signs were available of anyone currently residing in the trailer. The storage area with canned food appeared to be undisturbed and no empty food cans or evidence of cooking was available in the trailer.

Markings on the table in the enclosed photographs appeared to be made with a felt type tip marker. Numerous drawings on the walls of a male penis were evident. No markings were located referring to "DIANE" or "PATRICIA HEART is here" were found.

The following pertains to specific areas of discussion raised at the Executive Conference briefing on 1/14/75 in this case.

First, the San Francisco Office has determined through the Hearst family that there is no tape recording of Patricia Hearst's voice known to them made prior to her abduction.

Second, the weapon used by Patricia Hearst during the shooting incident at Mel's Sporting Goods Store, Los Angeles, California, on 5/16/74 has not been recovered to date. We have learned through eyewitness observations and FBI Laboratory examinations that the weapon was a M-1 .30 caliber carbine altered to fire fully automatic. The Laboratory reported the various .30 caliber cartridge cases recovered from the above shooting incident were microscopically compared with all similar specimens previously submitted in this case and the test cartridge cases obtained from the 4 carbines recovered at the burned Symbionese Liberation Army (SLA) pad (5/17/74) without effecting an identification.

Third, the feasibility of identifying National Crime Information Center (NCIC) inquiries regarding M-1 .30 caliber carbines since 5/16/74 was discussed thoroughly with SA [redacted] Computer Systems Division, and will be the subject of a separate memorandum. This aspect is being surveyed to determine the possibility of placing stops for future NCIC inquiries on weapons of this type.

same rights as any other defendant.

Almost a Year

Miss Hearst has been missing for almost a year, since her alleged kidnapping last Feb. 4. She is believed to have joined the kidnapers in the Symbionese Liberation Army and to have committed the murder of a police officer.

I don't know if you are familiar with a particular person, Kelley said in an interview with The Washington Post. The person is a woman who is believed to have been involved in the kidnapping of Miss Hearst.

Kelley said that the FBI's failure to find her was "by its failure to find Patty."

"People find it hard to understand why a large organization like the FBI has failed to find her," he said. "It's not too difficult to stay away from the FBI if you don't want to be in the open. The society which Miss Hearst is receiving sanctuary freely accepts her. They apparently don't feel she has violated the laws."

Nothing that Patty has been charged with participation in a San Francisco bank robbery, Kelley said that when and if she is caught "she certainly should be prosecuted." He added that his bureau did not intend "to make an example of her."

the rights we do others," he said. The interview, shifted to the current furor over domestic operations of the Central Intelligence Agency, Kelley was asked whether the FBI and CIA ever conduct parallel investigations.

"From time to time, we have encountered situations where the CIA has been doing things which have been done by the FBI," Kelley said. "I don't know if the CIA has ever done any of the things (the CIA) which we would call a 'cold war'."

He said that the reason to be alarmed about CIA activities, President Ford's appointment of Vice President Rockefeller to head a panel to probe CIA activities, was "disappointment." He said that the CIA is a "fine public servant" and that the panel is "a good thing."

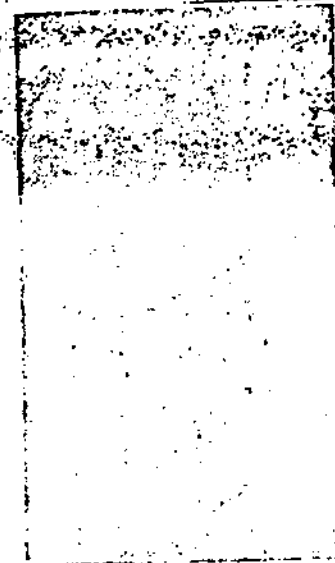

He said that the CIA is a "fine public servant" and that the panel is "a good thing."

He said that the CIA is a "fine public servant" and that the panel is "a good thing."

"I think if you took a poll among the citizens, very few would even know what the CIA is," Kelley said. "Their operations, to a great extent, are covert. They are not a law-enforcement agency. They are an intelligence agency whose mission, to some extent, is parallel to our mission."

As for the thought that a thorough investigation of the CIA would

Boosted Morale

Morale among FBI agents sank to a all-time low during the Watergate inquiry when the agency was accused of "cover-up". Kelly, admitted having "cover-up" some FBI reports at the request of the White House. He has restored a "high degree of stability" to the bureau. He feels this is among his top accomplishments.

Kelly described the Watergate revelations as a real cleansing process. It made everyone understand that no matter how high you go or what you do, you are still subject to the rules of regulations of society.

TO : DIRECTOR, FBI (7-15200)**ATTN: GID & INTD****FROM : SAC, CHICAGO (7-2004) (P)****SUBJECT: HEARNAP****Re False Identification**

As Headquarters is aware, revolutionary elements in the past have obtained false identification utilizing the deceased infant scheme. In the scheme a birth certificate of a deceased infant, with a birth date close to that of the person who will assume the infant's identity, is obtained. The infant's name and date of birth are obtained from infant sections of cemeteries or obituary notices in old newspapers. In some instances the death certificates of deceased infants have been reviewed at the Bureau of Vital Statistics to determine parent's names. The individual attempting to obtain new identification, can then, with the above information at his disposal, request and receive the deceased infant's birth certificate. The birth certificate can then be used as a basis for obtaining a driver's license, Social Security card, and other identification such as hunting license, library card, etc. Extremist elements, however, continue to demonstrate weakness in obtaining deceased infant identification in that they obtain additional documentation serially, that is, one after another. For example, numerous deceased infant's identities are obtained from the same cemetery, the same vehicle is used in testing for driver's licenses, Social Security numbers are issued in serial order as a group of these persons appear at the Social Security office at the same time, etc.

Chicago notes that WILLIAM HARRIS used the deceased infant identity of RICHARD FRANK DENNIS, date of birth 12/14/47, at Oakland, California, deceased 6/6/50 at Oakland. Numerous productive leads may be available from this one fact.

Chicago suggests, if not already done, the following investigation be conducted with the intention of identifying additional false identification in possession of WILLIAM HARRIS:

1) Locate cemetery where DENNIS is interred and obtain and search names of all deceased infants with dates of birth between 1943 - 1950 through Department of Motor Vehicle records.

2) Locate newspaper in which DENNIS' obituary is listed and search it and additional papers that period for deceased infants with dates of birth between 1943 - 1950.

3) If birth certificate requests are retained by Bureau of Vital Statistics search above names to determine if requests for birth certificates were requested. Also search for death certificate requests.

4) At Department of Motor Vehicle station where DENNIS' driver's license was obtained, search other licenses issued same day and several nearby days for persons with birth dates between 1943 - 1950. Determine if vehicle used for test by DENNIS was utilized by others taking tests.

5) Social Security number 553-27-8400 appears on DENNIS' driver's license. The first numbers 553 indicate this Social Security number was obtained in California. On additional driver's license N3645330, issued to HARRIS in name JONATHAN MARK SALAMONE, date of birth 5/1/49, Social Security number 359-48-5467 appears. The first numbers 359 indicate this Social Security number was obtained in Illinois. On California license N3654531 obtained by EMILY HARRIS in name ANNA LINDENBERG, date of birth 2/25/49, Social Security number 429-42-8003 appears. The numbers 429 indicate this number was issued in Arkansas.

CG 7-2004

6) Search local libraries for names of DENNIS, SALAMONE, DOROTHY ANN PETRI, and ANNA LINDENBERG. If names found, search for names of others obtaining cards at same time.

San Francisco and Los Angeles are requested to advise Headquarters if above investigation has been conducted, and if not, recommendations concerning its productivity.

Dear Mr. Kelly:
I am getting a message to you in my name regarding to Mr. Patricia Campbell Hearst and it's sincerely hoped that you shall allow me every consideration on such matter.

Patricia happens to be a friend of mine and I can't shake away from me that I am going to my mind from the time I saw her especially when it comes to giving advice. I am fully aware of all that's going on in this unfortunate case and would like the opportunity to assist in her coming forward to the proper authorities.

I am not an advocate of violence in any way, shape or form and consider it a most heinous right to view, particularly in a free society.

I have no opinion of the present & future plans of the S.F., of which there are many members. I shall remain firm in light of past arms being stockpiled by this group, in view of the similar contact in Los Angeles. I think to provide such arms stockpiling can only be to chaos. It has previously been said, that the S.F. and its supporters want to use the same as the report that they are a repeat of the previous situation.

Mr. [Name] has been to communicate with my father & talk to him and obtain his opinion. He then shall in to the present situation. should [That be your wish or directive, Sister, I myself would find it just as possible to set the place at an area in Connecticut, Sister, I shall go along with any related wish and/or directive you set down.]

I had planned to communicate with her on February 17, 75 or the following week, however, I was (at that point in time) at a CTC and had gone to New Haven for a bus trip to visit my mother, unfortunately I was unable to catch the bus that I & Denise would take me to see my mother and thus had done something and the CTC wouldn't take me back thus requiring my unfortunate return here at Levensburg.

At the present time, I have no idea as to whether the U.S. Board of Parole shall allow me to go back out on Feb. 17, 75 or not.

Please understand, I'm not simply sending you the letter in regards to myself, I want you to be fully aware that my plans were already made to communicate with Pat as soon as my parole became effective and as soon as I made my plans known to my proposed parole officer, if required to do so.

afraid that it shall then appear that officials
are really not sincere in their urging that
Patty give herself up to authorities.

It is surprising how already many are saying
that authorities are not really sincere when they
urge that she give herself up; many are
also saying that they (officials) only want to
have the chance to shoot her down when
she may suddenly appear and that part is
mainly why she is so scared now, if I
do presently get to promise her any different,
except me, if I am allowed to do so, I can

[REDACTED] WAS UNABLE TO PROVIDE ANY INFORMATION REGARDING WILLIAM AND EMILY HARRIS SINCE SHE HAD BEEN ACQUAINTED WITH THEM ONLY ON A VERY LIMITED BASIS THROUGH THE ATWOOD'S. SHE DID RECALL THAT HER FIRST MEETING WITH WILLIAM AND EMILY HARRIS WAS AT A PARTY GIVEN AFTER A PERFORMANCE OF A THEATER GROUP TO WHICH ANGELA ATWOOD BELONGED. SHE STATED THAT IT IS POSSIBLE THE HARRISES WERE ACQUAINTED WITH MANY PEOPLE THROUGH THIS THEATER GROUP SINCE IT APPEARED TO BE A VERY CLOSE GROUP OF PEOPLE.

[REDACTED] STATED THAT NEITHER SHE NOR HER HUSBAND RECEIVED ANY CONTACTS FROM ANGELA ATWOOD OR THE HARRISES DURING MAY OF 1974. SHE DISPLAYED HER DIARY FOR THIS PERIOD TO THE INTERVIEWING AGENTS WHICH CONFIRMED HER STATEMENTS. BILL WALTON:

NBA Rookie Deals With Problems His Own Way; No Plans to Quit

Newsday

PORTLAND, Ore., Jan. 14—The fireplace wood crackled. Long distance phone calls from comedian-activist Dick Gregory and representatives of the United Farm Workers, and night-time visits by friends like teammate Sidney Wicks interrupted the conversation. Bob Dylan and Country Joe McDonald records provided the background music last weekend when Newsday's Jay Weiner visited the Portland home basketball player Bill Walton shares with his friends Susan Guth, Micki McGee, Don Salera and Jack Scott.

Walton, a three-time all-America center at UCLA, is in his first year as a professional after signing a contract estimated at more than \$2,000,000 with the Portland Trail Blazers of the NBA. He has missed the Blazers' last 18 games because of a painful bone spur above his left ankle. Walton, listed as 6-foot-11 and 225 pounds, last played a league game on Nov. 23, just days before rumors circulated that he was on the verge of retirement from pro ball.

The interview:

Q. Late in November, news reports said you were on the verge of retiring from professional basketball. The source of those reports was Sam Gilbert, who was identified as your personal adviser. How true were those reports?

A. I'm always looking to do the best things I possibly can with my life. If they happen

"I'm not interested in permanently hurting myself. I'm interested in feeling better."

to be other things besides basketball, then I will do those things. I have regular discussions with my friends about what I am doing with my life. I was down in Los Angeles seeking medical advice about my foot, and Sam Gilbert was one of the people I talked with while I was there. We discussed many things. Unfortunately, selected parts of that discussion were told to the media. I like playing basketball. I plan on continuing to play basketball. I enjoy the game. It's fun.

Q. Sam Gilbert is regularly identified in the media as your personal adviser. Is that an accurate representation?

A. No, Sam has always been a closer friend with many NBA owners than he has been with me.

Q. You've said that "suggestions" have been made to you that you should take pain-killing and anti-inflammatory drugs for the bone spur in your left ankle so that you could get back playing more quickly. What was the form of those suggestions?

A. I have been encouraged by the team doctor to have cortisone shots. Presumably that would make me better. Two drugs commonly given to athletes for injuries like mine are cortisone and Butazolidin. I don't know the total effects of these drugs, but I do know that in many, many cases the side effects of them have crippled people. I'm not interested in permanently hurting myself. I'm interested in feeling better. That's one of the reasons I play sports in the first place. Dick Butkus and Houston Ridge are two examples of professional ath-

letes who have sued team doctors over the issue of improper medical treatment. Ridge claimed he was injected with a pain-killer so he could play with a hip injury. He was awarded over \$260,000 in an out-of-court settlement, but he will probably walk with a limp for the rest of his life because of further injury to his hip during the game.

Q. What kind of treatment did you seek out yourself after these suggestions came from the team doctor that you should take pain-killers?

A. I went to Los Angeles for acupuncture treatments from Dr. Richard Kroening, a friend of mine. Although I still have some pain in my foot, the pain has subsided enough where I believe I'll be able to play. I have been practicing these last few days with the Blazers. We're going back to the East this week and I think I'm well enough to play. If the coach decides that I'm going to help the team then he'll put me in.

Q. People close to the Trail Blazers have said that the fact that you do not eat meat has had a major effect on your play. Is it true that a nonmeat diet hinders athletic performance?

A. As far as food goes, I don't think that you can differentiate between an athlete and anyone else. There's a definite need for everyone to eat properly. I have received in-

direct hints from the team that they wish that my diet was different.

Q. From the owners? From the trainers?

A. From the management of the team, through my friends and attorneys.

Q. Are there other players in pro basketball that you know of who share your concern for proper food?

A. There's a few. I'm sure there are more than I know personally who are into foods and know enough about foods to be healthy. Those I know are John Brisker, Neal Walk, Ralph Simpson, Keith Erickson, Connie Hawkins, Jamal (Keith) Wilkes.

Q—Are these people who don't eat meat?

A—Not necessarily, just people who have a very good knowledge of foods and their effects on the body, and who know the difference between healthy food and poison food.

Q—There are many people who believe that pro athletes are being paid too much money. Your contract has been reported to be worth over \$2 million. Are athletes paid too much money?

A—I think athletes in this country as a group are underpaid. The largest group of professional athletes in the country are big-time college football and basketball players and, at best, they only get a few thousand dollars a year (through scholarships). Through circumstances, like in professional basketball, there are a few of us who make very large incomes. Still, we wouldn't be paid these salaries unless the owners felt it was in their best interest. The salaries we receive are a reflection of the extraordinary emphasis placed on spectator sports in this country and the huge sums of money our labor generates. There are tremendous amounts of money that are being made in the world of sports today. Unfortunately, the people who are participating in the sports, who are generating all this income, are not receiving the profits. It's going other places.

Q—Who's making the money?

A—Owners of the teams are making money. TV is making money, you know. CBS, NBC, ABC all are making money. And Time-Life's creation, Sports Illustrated, is certainly making money.

Q—Do you find it hard to be working

hard for people who are making money at the expense of others?

A—I've always found that a little bit hard to believe.

Q—Is that what's actually happening? Are people making money at the expense of others?

A—That's the way it is in the whole so-called "free world." People are making money off other people's labor. And that's not right. People who work should be the ones who get paid. The people who do the actual physical work of what has to be done should receive the fruits or benefits of that labor.

Q—Now that you're a professional and have money, do you plan to utilize the position you are in to get your views out or to help other people and groups with similar views?

A—First of all, my supposed money, like that of most highly paid athletes, is spread out in deferred payments over the coming years. Given the economic situation in this country, no one knows what that paper money will be worth by the time I get to see it. It may be next to worthless, and I'm preparing for that.

Q—How are you preparing?

A—I'm trying to become a nonconsumer. I'm trying to evolve spiritually, physically and in every way to the point where I'm no longer dependent on an economic system that I think is destroying the world and the people who live in it. I'm trying to lead a life that involves minimal consumption of material goods.

Q—You were actively involved in working for social change while in college. Are you still politically active?

A—Right now the people I live with, Dick Gregory and I are working with Cesar Chavez and the United Farm Workers in their boycott of Gallo wine. However, unlike in college, much of my energy now is going towards working out my own situation trying to play basketball.

Q—In conclusion, is there anything else you would like to say?

A—I'd like to say hi to all my brothers and sisters out there who are carrying on the struggle. As Joe McDonald has been saying, "Hold on, it's coming."

IS OF THE OPINION THAT [REDACTED] IS PROBABLY A MENTAL CASE AND SAN
FRANCISCO AGREES, HOWEVER, IT APPEARED THAT ONE OF THE LEADS THAT
COULD BE CHECKED OUT WITHOUT ANY GREAT DIFFICULTY AND WHICH
WOULD TEND TO CONFIRM OR DISPROVE [REDACTED] STORY WOULD BE THE
LEAD AT JEFFERSON HOTEL IN ST. LOUIS.

ST. LOUIS BY TELETYPE JAN. 19, 1975 HAS ADVISED THAT FOLLOWING
THE RULING OF THE FEDERAL JUDGE FORBIDDING THE FBI OR INFORMANTS
FROM ATTENDING THE YSL CONVENTION AT THE JEFFERSON HOTEL, THE
BUREAU HAS RESTRICTED ANY CONTACT AT THIS HOTEL WHICH HAS TO DO
WITH THAT CONVENTION AND THESE DIRECTIONS HAVE NOT BEEN RESCINDED.

OUR INQUIRY AT THE HOTEL WOULD NOT BE IN CONNECTION
WITH THE YOUNG SOCIALIST ALLIANCE CONVENTION BUT WOULD BE IN
REGARD TO LOCATING A FEDERAL FUGITIVE AND THE QUESTION IS SIMPLY
WHETHER OR NOT PATRICIA HEARST ACTUALLY DID RESIDE AT THE HOTEL
OR NOT, AND IF SO, WHAT LEADS WE COULD OBTAIN FROM HER
RESIDENCE THERE. THEREFORE, UACB, ST. LOUIS WILL CONDUCT
APPROPRIATE INVESTIGATION AT THE JEFFERSON HOTEL.

Examination requested by: San Francisco

Reference: Airtel 1/13/75

Examination requested: Document - Fingerprint

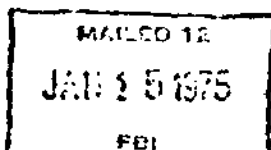

Remarks:

Q1075 and Q1076 are being returned separately with the results of the latent fingerprint examination.

The typewriting on Q1075 through Q1076 contains distinctive individualistic styling characteristics which may permit identification in specimens from the typewriter used are submitted for comparison. The typewriting on Q1076 is all upper case and does not therefore contain the lower case characters which contain the distinctive characteristics which would permit identification possible. Therefore, although there is no indication that any of the typewriters was used in the preparation of Q1076, the identification of the Q1076 typewriting is not likely.

Q3

Q1235 Envelope postmarked "CLEVELAND, OH 4:41 PM 6 JAN 1975," bearing typewritten address "Mr. Randolph A. Hoarst 110 5th San Francisco Examiner San Francisco, Calif."

Q4

Q1236 Sheet of paper bearing typewritten message beginning "WE ARE IN SOMEWHAT OF A HURRY..."

Result of examination:

The conclusion was reached that the typewriting on Q1235 was prepared by the typewriter used to prepare Q1238 and Q1239, previously submitted. Also, the typewriting on Q1235 is the same style and size and contains characteristics in common with the typewriting on Q1233 through Q1235 which indicates Q1235 may also have been prepared by this same typewriter.

Q1235 and Q1236 contain no watermarks, indented writing of significance or other characteristics to aid in definitely determining their sources. A five-cent U. S. Postal Service stamp torn from a sheet of stamps is affixed to Q1235.

Q1235 and Q1236, which have been photographed, are being returned separately.

but clean looking.

One lady asked Patty (?) if
she was Patty Kerst. This young lady
had on these plaid slacks too. She
replied "Oh no. I am Mrs. — I

RE: WOMENS' LIBERATION - LESBIAN GROUPS.

AS BUREAU IS AWARE, TOP TEN REVOLUTIONARY ORIENTED FUGITIVES SUSAN EDITH SAXE AND KATHERINE ANN POWER WERE RECENTLY DETERMINED TO HAVE BEEN IN THE LOUISVILLE, KENTUCKY, AREA DURING THE SUMMER AND FALL OF 1974. DURING THIS PERIOD, THEY RESIDED WITH FEMALES CONNECTED WITH THE WOMENS' LIBERATION MOVEMENT, ATTENDED AFFAIRS SPONSORED BY THAT ORGANIZATION, AND ENGAGED IN LESBIAN RELATIONSHIP WITH LESBIANS, SOME OF WHOM WERE AFFILIATED WITH WOMENS' LIBERATION GROUPS. SAXE WORKED UNDER AN ASSUMED NAME AS A COOK AND WAITRESS AT A HEALTH FOOD RESTAURANT.

BOTH WERE POLITICALLY ORIENTED AND DISPLAYED SOCIALISTIC TENDENCIES.

IT SHOULD BE NOTED THE POSSIBILITY EXISTS THAT WILLIAM HARRIS MAY HAVE SPLIT WITH HIS WIFE AND PATRICIA HEARST.

FURTHER, EMILY HARRIS IS KNOWN TO BE AN ADVOCATE OF WOMENS' LIBERATION, IS A POLITICAL ACTIVIST, AND REPORTEDLY HAS ENGAGED IN LESBIAN ACTIVITIES. AS BUREAU IS AWARE, MOST OF FEMALE SLA MEMBERS WHO DIED IN SHOOT-OUT IN LOS ANGELES WERE KNOWN LESBIANS, POLITICAL ACTIVISTS AND REVOLUTIONARIES. PATRICIA HEARST APPEARS TO HAVE ADOPTED THE LIFE STYLE OF HER FEMALE ABDUCTORS.

IN VIEW OF THE ABOVE, SAN FRANCISCO FEELS THAT PRIORITY ATTENTION SHOULD BE DIRECTED TOWARD DEVELOPING INFORMANT COVERAGE IN SUCH REVOLUTIONARY ORIENTED GROUPS AS WELL AS AT ESTABLISHMENTS KNOWN AS LESBIAN HANGOUTS. AS ALL FEMALE INDIVIDUALS INVOLVED IN KIDNAPPING WERE KNOWN TO BE HEALTH FOOD ADVOCATES, SUCH LOCATIONS KNOWN TO BE FREQUENTED BY REVOLUTIONARY ORIENTED WOMENS' LIB GROUPS SHOULD BE DETERMINED AND APPROPRIATE COVERAGE EFFECTED.

IN ORDER TO PRECLUDE UNWARRANTED CRITICISM OF OUR INVESTIGATIVE ACTIVITIES, SOURCES SO DIRECTED IN CONNECTION WITH THE ABOVE SHOULD BE INSTRUCTED THAT WE ARE ONLY INTERESTED IN INFORMATION PERTAINING TO OUR FUGITIVES AND/OR UNLAWFUL ACTIVITIES ON THE PART OF INDIVIDUALS INVOLVED IN

PAGE THREE SF 7-855

SUCH GROUPS. THEY SHOULD UNDERSTAND THAT WE ARE NOT INTERESTED IN THE LEGITIMATE POLITICAL ACTIVITIES OF THE WOMENS' LIB GROUPS OR INFORMATION CONCERNING INDIVIDUALS AFFILIATED WITH THEM.

SAN FRANCISCO FEELS THE ABOVE PROPOSED INVESTIGATION HAS CONSIDERABLE MERIT AND SHOULD BE DONE ON A FIELD-WIDE BASIS, INASMUCH AS OUR LAST POSITIVE SIGHTING OF REMAINING FUGITIVES WAS ON MAY 17, 1974, IN LOS ANGELES.

RE: INFORMATION FROM [REDACTED]

Re Minneapolis teletype to Bureau 11/26/74;
Kansas City airtel to the Bureau 12/10/74.

[REDACTED]

On 1/14/75, [REDACTED] was interviewed by SA [REDACTED] regarding the names and addresses of individuals in Salem, Oregon, who could secure counterfeit papers, which individuals were militants, and contacts for PATRICIA HEARST. [REDACTED] advised that this information, which he had previously furnished to a St. Paul, Minnesota Postal Inspector, was in typewritten form on a sheet of paper, which the Postal Inspector kept at the time [REDACTED] furnished the information.

[REDACTED] advised that he secured all of this information from [REDACTED], a white male, age about 40, 5'10", weight 175 pounds. He secured this information from [REDACTED] in early July, 1974, at the Bum Steer Restaurant, 32nd and Topeka, Topeka, Kansas.

[REDACTED]

[REDACTED] in this meeting at the Bum Steer Restaurant indicated that "for old times' sake" he felt he owed [REDACTED] a favor. He furnished [REDACTED] the names and addresses of people in Salem, Oregon, in case [REDACTED] wanted to flee the country. [REDACTED] when [REDACTED] furnished this information regarding the identities of these people at Salem, Oregon, he cautioned [REDACTED] that if he were to contact these people he should be very careful as they were militants, were contacts for PATRICIA HEARST. [REDACTED] inferred that all of this information was reliable but not first-hand on his part. He indicated he had secured this information from another person and pointed to another man sitting at a table across the room in this restaurant, as the man who furnished him the information. He indicated this man's name was "RED". [REDACTED] observed this individual who appeared to be a Negro male, in his 20's, height about 6', stocky build. He only observed him from a distance and had no contact with "RED". [REDACTED] took specific notes while talking with [REDACTED] which he later had typed onto the sheet of paper, which he subsequently turned over to the Postal Inspector.

He advised that he made no effort to contact any of these people in Salem, Oregon, and has no further information relating to the counterfeit passport and citizenship papers or to the relationship of these people with PATRICIA HEARST.

RE: ASSOCIATES OF WILLIAM HARRIS INVOLVED

On 1/20/75, [REDACTED]

[REDACTED] Pasadena, California, was interviewed
regarding activities in captioned matter and was unable to
provide any recent information concerning same.

[REDACTED] did indicate that he vaguely recalls
WILLIAM HARRIS attending meetings at the Angela Davis
Defense Committee (ADDC) at Indiana University in 1970 or
1971. [REDACTED] was only associated with the group for several
months inasmuch as he left school. He recalls HARRIS at
these meetings actively participating but not assuming any

that he could recall no one in particular associating with
WILLIAM HARRIS.

[REDACTED] indicated that the ADDC fluctuated in size and commitment to the acquittal of ANGELA DAVIS, directed its efforts toward prison reform and anti-war activities. In this regard [REDACTED] indicated that the group, regardless of its cause, directed its main effort to disseminating information and raising funds. At no time can [REDACTED] recall any "para-military" type activity.

[REDACTED] also advised that he personally did not know any of WILLIAM HARRIS' friends, nor did he believe that HARRIS would recall his, [REDACTED] last name.

[REDACTED] emphatically denied any contact with HARRIS during pertinent period and vaguely intimated that if he were to secure any information regarding fugitives, he would furnish same to FBI.

[REDACTED] In view of the above, no further action regarding [REDACTED] deemed necessary.

I am fully aware of all the facts of
the Shortt case and would like the
opportunity to assist in her coming forward to
the proper authorities. ENCLOSURE 75200-453

I am not an advocate of violence in any way, shape, or form and consider bloodshed the most horrible sight to view, particularly in free society.

I don't approve of the views & future plans of the SLA, of which there are many members still alive. I hold sincere fear in light of past arms being stockpiled by this group, in view of the horrible shootout in Los Angeles in which 6 people died such arms stockpiling can only be too obvious. It has previously been said, that the SLA and its supporters want to even the sides in the event that there should be a repeat of the previous shooting.

My plan had been to communicate with my friend Patty & talk to her and obtain her promise to turn herself in to the proper authorities. I have no way to force her into believing that I can get Patty to turn herself in if only I am allowed to go to her but I can and am now going to be allowed to do just that.

Regarding the place for her surrender, I shall go along with the San Francisco area

"3"

mean that I am not a director, I am, I myself would find it just as possible to place it in an area in Connecticut, and I shall go along with any related and/or director who best knows.

I had plan to communicate with David during 17, 75 or the following week, however, as I (at that point in time) at a CTC and go to New Haven for a bus trip to see my mother, unfortunately I was unable to catch the bus. That I D. knew would take to see my mother and this had done some thing and the CTC wouldn't take me back requiring my unfortunate return here at Gresham.

At the point in time, I have no idea whether the U.S. Board of Trade shall be me to go back out on Feb 17, 75 or not. Please understand, I'm not simply sending a letter to request to my C. I want to be fully sure that my plans were made to communicate with my C. as my plans became effective and as far as I made my plans known to my regional partner office, if required to be so.

At this point in time, my plan remains unchanged. Because I sincerely wish to bring my friend forward and of this present possibility of future should and prevent I am of from coming to Patty and others who may be in the line of fire.

Patty will not open fire on me or any of them, I assure. She is frightened and is in the impression that she will be shot by authorities on sight.

Please understand, I am being fully honest in this urgent matter and I give you my word that I can obtain Patty's promise to go forward with me and I turn herself in either San Francisco or a place in the northeast area.

Already, some groups are calling for an act of revolution would be U.S. at a future and in time. I can at least bring Patty forward and would also like to help I protect of act of aggression against this country by radical underground groups located in the United States.

Should authorities doubt my word or deny me a chance to communicate with Patty, then I will

Re Portland teletype to Bureau, et al, 1/15/75; WFO airtel to Bureau, 1/17/75.

Among vehicles observed at BILL WALTON's residence, Portland, 1/15/75, was one bearing Oregon license JKN 222. This vehicle is registered to SUSAN GUTH, date of birth 2/2/51, 380 Multnomah Street, Portland. 380 Multnomah Street is address of Portland Trailblazers basketball team and is office building. Check of Oregon driver's license registration discloses GUTH possesses Oregon driver's license #2266438, issued to her as SUSAN KAY GUTH, 5411 S.E. Marion Street, Portland.

It is noted that Xerox enclosures to referenced WFO airtel contain reference to SUSAN GUTH as resident of WALTON's home. Note also that WALTON in interview by Bureau Agent at Cleveland, 1/17/75, identified his girl friend as SUSAN (last name not furnished).

It is noted that the young female contacted at the WALTON residence in Portland by Bureau Agents, 1/15/75, would appear to be SUSAN KAY GUTH, whose physical description approximates that of both female subjects in this matter, but who is positively not identical to either. *REC-100*

As you are aware, television station WGO-TV, an ABC owned station in San Francisco, did a 1 hour program last spring on the Hearst case. The San Francisco Office secured this film footage, which is excellent, and it was shown last week at the Executives Conference.

In an effort to generate further coverage of the Hearst case in the interest of apprehending Patricia Hearst, I have been making inquiries to determine if the television networks would be interested in highlighting the Hearst case on or about its anniversary date, 2/4/75. The Director has indicated to me that he would be willing to make himself available for a short filmed interview if such a program could be arranged.

In this regard, I have been in telephonic contact with Bill Sheehan, President of the ABC News network in New York, and we have had discussions regarding such a program. He has been most favorably disposed toward such a project and called me yesterday to indicate that ABC now intends highlighting the Hearst case in a news documentary using the Reasoner Report as the vehicle since it has a substantial viewing audience and is really the only program which ABC feels could do this project justice. Sheehan advised ABC would like to go ahead with the project for airing on Sunday evening, 2/9/75. It should be here noted that the Reasoner Report, while a network presentation, is not shown in every section of the country on the same evening. For example, it is telecast in the New York area on Saturday evening.

Sheehan advised that to achieve the desired effect, they would like very much to have the 2 to 3 minute interview of the Director in line with prior discussions and that they would wish to do this filming this week, Wednesday, 1/22/75, if at all possible. He said the filming would require approximately one-half hour of the Director's time.

McDermott to Mr. Jenkins memo (cont'd.)
Re: HEARNAP
PROPOSED SPECIAL TELEVISION PROGRAM

Observation:

I recognize that my recommendation to participate in a Reasoner Report with ABC would be counter to my prior position in this regard as a consequence of our prior unfortunate experience with the Reasoner Report on 9/30/73 and the more recent ABC documentary entitled "The Paper Prison," with ABC's Frank Reynolds. I feel that in this instance, however, in the interest of generating public cooperation and support of our investigative effort in the Hearst case, it is in our interest to take advantage of ABC's willingness to highlight this case via their network facilities. It is further noted and not to be disregarded, that the WGO-TV San Francisco film footage belongs to ABC since ABC owns this station. Consequently, any effort to sell NBC and CBS on the idea of airing ABC material would really be an exercise in futility and this is borne out by our tentative inquiries in this regard.

RECOMMENDATION:

That the Director agree to be filmed at a time at his convenience, on Wednesday, 1/22/75, for a network presentation on the Patty Hearst case over the ABC television network via the Reasoner Report. It is noted that the Director's morning schedule is fairly clear on 1/22/75.

By memorandum J. J. McDermott to Mr. Jenkins, dated 1-21-75, captioned as above, details were set forth concerning an interview of Mr. Kelley on 1-22-75 by Harry Reasoner concerning our investigation in the Hearnap case. This interview would be aired on or about 2-9-75 on ABC-TV's "Reasoner Report." On 1-21-75, Mr. True Phillips, representing the "Reasoner Report," furnished a series of 11 questions which will be posed of Mr. Kelley. It is noted that Mr. Phillips stated that he is willing to alter or delete any of the questions which are not acceptable to Mr. Kelley.

Mr. Phillips indicated that he will arrive at FBIHQ at 11:00 a.m., 1-22-75, in order to prepare for Mr. Reasoner's arrival and the taped interview with Mr. Kelley at 11:30 a.m.

Attached are the 11 questions furnished by Mr. Phillips together with proposed answers by Mr. Kelley. These answers were prepared by the External Affairs Division in coordination with the General Investigative Division. No answers are set forth to questions 10 and 11 because it is felt that by the nature of the questions, Mr. Kelley may wish to answer them in his own words.

RECOMMENDATION:

That the attached questions and answers be furnished to Mr. Kelley in connection with his taped interview by Harry Reasoner on 1-22-75.

JAN 24 1975

84 MAR 27 1975 ENCLOSURE

QUESTIONS AND PROPOSED ANSWERS IN CONNECTION
WITH INTERVIEW OF MR. KELLEY BY HARRY REASONER
JANUARY 22, 1975

1. What is the present status of the Hearst case?

We are still searching for Patty Hearst and William and Emily Harris. I can assure you, however, that as each day passes, we are one day closer to locating these three fugitives. I remain confident that we will find Patty and the Harrises. So the status of the case is pretty much as it was last May--we don't know where they are but we are still looking--and looking hard.

2. How many FBI Offices are currently working on this investigation?

This case is a pending matter in all of the FBI's 59 field offices. Leads in the case are covered on an urgent basis--as are leads in any case where you are dealing with people on the run and where a matter of moments can make the difference between success and failure.

3. There have been hundreds of reports of Patty Hearst being sighted in practically every state in the Union and several foreign countries. Is there any truth to any of these reports?

We have had leads in this case throughout the nation and in foreign countries, particularly Mexico and Canada. None of these leads has proved productive in locating these fugitives or in determining where they have been since May, 1974.

4. Are such reports still coming in in quantity and are they being checked out?

The number of leads we are receiving has, of course, diminished since last May. This is to be expected in any case that continues for an extended period. As to our handling of leads, we simply cannot afford to be selective. They are all checked out and will continue to be until the case is resolved.

5. Mickey Cohen said that he had located Patty Hearst in Cleveland, however, the Hearst's considered it too dangerous for her return. Has the FBI determined whether there was any truth to this report?

We have received a considerable amount of information placing Patty Hearst in various cities across the country, including Cleveland, Ohio. We have no information substantiating such reports of her whereabouts. There is no basis for feeling that it is "too dangerous" for her to return. The greatest danger to Patty lies in her continued life as a fugitive. We are interested only in her safe return--and that of the Harrises--so that whatever legal action is called for can be taken.

6. The FBI has been accused of using too much force in the Los Angeles shoot-out and also the use of fragmentation grenades. Do you have any comments concerning these accusations?

I am firmly convinced, after most careful study and analysis of the entire incident in Los Angeles, that the law enforcement personnel on the scene--the Los Angeles Police Department and the FBI--acted properly and in the best traditions of the law enforcement profession. Although there was certainly a tragedy in the loss of the lives of the members of the SLA, that tragedy was brought upon themselves by their reckless response to a legitimate call to surrender. I would hope from that point forward, there would be no more violence of any kind. There is no need for it, it proves nothing, and can only result in tragedy for someone. As to your question about fragmentation grenades, they were not used--in fact the FBI does not possess such weapons.

7. On July 11th you stated that the FBI did not know where Patty Hearst was. Is this still true?

I regret to say that it is still true.

8. With hundreds of Agents seeking her, how has she avoided capture for this lengthy period of time?

There are probably several valid answers to this question--and frankly, I would like to know what the true answer

is. That would help us in our search. She is undoubtedly maintaining a "low profile"--that is, calling as little attention to herself as possible. She may have changed her appearance by wearing a wig or other similar techniques. She is in all likelihood receiving support from a close-knit group of associates, while at the same time turning her back on all her past friends and relatives. She has succeeded in blending in to a community somewhere, but wherever she is, she must feel the pressure that one feels while running from the law. She can never be completely trusting, never completely at ease. It must be a very discomfoting life--and it is all so unnecessary. Many of our fugitives have stated, after apprehension, that running is pure hell.

9. What has been the relationship between Mr. and Mrs. Randolph Hearst, the parents of Patty, and the FBI?

Mr. and Mrs. Randolph Hearst have been most understanding and cooperative with us in this matter and we have been in regular contact with them since the kidnaping. The goal of the FBI and the Hearst family is identical--we want Patty to return safely.

10. As a career policeman, how do you view the future of this case? Will Patty Hearst be caught and how?

11. If Patty Hearst is listening to this broadcast, do you have any advice for her?

Q1937 One dollar Federal Reserve Note #K 53333190B, bearing writing "Please Help Me I'm in Kansas City, Patty Hearst 8/4/74"

Result of examination:

Q1937 was not associated with material maintained in the Anonymous Letter File, which includes similar type material previously submitted in this case and in case captioned "SYMBIONESE LIBERATION ARMY (SLA) - EM."

A definite conclusion was not reached whether the questioned writing on Q1937 was prepared by PATRICIA CAMPBELL HEARST, K32, EMILY HARRIS, K5, K6, K8, K9, K20 and K37 or WILLIAM HARRIS, K45, due to the presence of unexplained variations and the lack of sufficiently comparable writing.

Q1937, which has been photographed, is being returned separately.

SUBJECT: HEARNAP PUBLICITY

DATE: 1-23-75

February 4, 1975, marks the one-year anniversary of the incident in which Patricia Campbell Hearst was taken from her apartment in Berkeley, California, and held captive by members of the Symbionese Liberation Army (SLA). There will undoubtedly be considerable news media interest in this case over the next several weeks. Therefore, the External Affairs Division, in coordination with the General Investigative Division, has prepared a packet of material which is to be furnished to the field under the Bureau-Wide Information Program.

The prepared material consists of documentary, visual and aural aids presenting the status of the Hearnap investigation, and reemphasizing the need for public cooperation in the location of Patricia Hearst and William and Emily Harris. The contents of the publicity packet are summarized as follows:

(1) A document entitled, "Chronology of Events Surrounding the Kidnaping of Patricia Campbell Hearst." This document was prepared at FBIHQ and will serve as a ready reference to dates and incidents in this case.

(2) A document entitled, "The Hearst Kidnaping Case: A Narrative." This document was also prepared at FBIHQ and sets out, in narrative form, the highlights of the Hearnap investigation.

(3) A series (eight) of 35mm slides depicting Patricia Hearst and Emily and William Harris. The first three slides consist of portions of the Wanted Flyer on the Hearnap fugitives. The fourth slide pictures Patricia Hearst,

as "Tania," holding a machine gun with the background of a seven-headed cobra, symbol of the SLA. The remaining four slides depict Patricia Hearst as she may appear wearing variously styled wigs. These four likenesses of Patricia Hearst were prepared by the Exhibits Section, FBIHQ. All slides will assist in visually publicizing descriptive material concerning the three fugitives.

(4) A group of four photographs depicting the above-described likenesses of Patricia Hearst wearing variously described wigs. These photographs are pocket-sized and are suitable for use of investigative personnel.

(5) A reprint of an article entitled, "The FBI's Search For Patty Hearst," which article appeared in the December, 1974, issue of "Argosy" magazine. This article contains a detailed statement concerning the Hearnap investigation by Mr. Kelley.

(6) Reprints of an article entitled, "Patricia Hearst: She Might Be Another Face in the Crowd--But in Disguise," which article appeared in the December, 1974, issue of "People Weekly" magazine. This article contains photographs of Patricia Hearst as she may appear wearing various disguises.

67C
(7) A cassette tape recording of approximately 15 minutes duration, with transcript, containing the voices of Patricia Hearst and William and Emily Harris, including descriptive commentary. This cassette was prepared by the Laboratory Division with appropriate commentary supplied by SA [REDACTED] of the External Affairs Division. The cassette consists of excerpts from the tapes originally sent by the SLA to various news media. The voices of all three fugitives are distinctive. Patricia Hearst is heard first as a frightened victim and later as a defiant revolutionary. Similar material is included on the cassette setting forth the voices of William and Emily Harris. The cassette provides all field offices with a sufficient sampling of each voice to serve as an investigative aid, as well as publicity material. A transcript of the cassette tape is included in the packet to facilitate editing and excerpting the field.

RE: HEARNAP PUBLICITY

OBSERVATIONS:

The External Affairs Division and the General Investigative Division consider all of the above material to be of value to the Field not only in terms of publicity, but also in furnishing investigative assistance aimed at the apprehension of the Hearnap fugitives.

RECOMMENDATION:

That the attached airtel and accompanying material be approved for transmittal to the field via Bureau-Wide Information Program.

RE FALSE IDENTIFICATION

RE CHICAGO AIRTEL JANUARY 16, 1975.

10 JAN 30 1975

THE FOLLOWING ADDITIONAL INVESTIGATION CONCERNING FALSE IDENTITIES HAS BEEN CONDUCTED: IT IS NOTED THAT WILLIAM HARRIS

RECORDS: PLACE COPY IN
100-467965 (FIP)

FIVE

84 APR 3 1975

UTILIZED THE ALIAS OF RICHARD FRANK DENNIS WHO WAS BORN DECEMBER 14, 1947, AT OAKLAND, CALIFORNIA, AND DIED JUNE 6, 1950, IN THE SAME CITY. AN EXAMINATION OF DEATH CERTIFICATES FOR ALAMEDA COUNTY, CALIFORNIA, REVEALED THAT 21 INFANTS DIED DURING THE MONTH OF JUNE, 1950. THESE 21 NAMES WERE CHECKED AGAINST THE CALIFORNIA DRIVERS LICENSE COMPUTER AND IN ADDITION TO DENNIS, IT WAS ASCERTAINED THAT A DRIVERS LICENSE HAD BEEN ISSUED IN THE NAME OF DECEASED INFANT JOANN RENEE MOSIER, BORN MAY 30, 1949, DIED JUNE 6, 1950. SAN FRANCISCO HAD PREVIOUSLY ASCERTAINED THAT THIS DRIVERS LICENSE HAD BEEN OBTAINED BY FORMER SLA MEMBER ROBYN SUE STEINER WHO IS BELIEVED TO BE IN MIAMI, FLORIDA, AND HAS CONSTANTLY REFUSED INTERVIEW WITH THE BUREAU.

IT HAS BEEN ASCERTAINED THAT RICHARD FRANK DENNIS WAS INTERRED AT THE HOLY SEPULCHRE CEMETERY AT HAYWARD, CALIFORNIA. INVESTIGATION AT THAT CEMETERY INDICATES THAT DENNIS WAS BURIED IN A SECTION CONSISTING OF TWO ROWS OF INFANTS. THE NAMES OF 22 INFANTS WHO DIED BETWEEN 1940 AND 1950, WERE OBTAINED AND RUN THROUGH THE CALIFORNIA DRIVERS LICENSE COMPUTER WITH NEGATIVE RESULTS. REVIEW OF SAN FRANCISCO FILES REFLECTS THAT A SOCIAL

SECURITY CARD, NUMBER 553-27-3400, WAS OBTAINED UNDER THE NAME OF RICHARD FRANK DENNIS AND APPLICANT FURNISHED THE CORRECT NAME OF THE DECEASED APPLICANT'S PARENTS. IT WOULD APPEAR THAT THE FALSE IDENTIFICATION OF DENNIS WAS BASED UPON A REVIEW OF DEATH CERTIFICATES RATHER THAN BURIAL PLOTS.

RE ANONYMOUS CALL RECEIVED FROM THE METROPOLITAN POLICE DEPARTMENT, WASHINGTON, D.C. JANUARY 12, 1975.

ON JANUARY 12, 1975, METROPOLITAN POLICE DEPARTMENT, WASHINGTON, D.C., RECEIVED CALL FROM UNKNOWN MALE CLAIMING TO KNOW THAT WILLIE, A WHITE MALE WHO SERVED TIME IN SOLEDAD PRISON, MARTY MILLER (NOT OTHERWISE IDENTIFIED) AND PHIL SHENNIC (PH) WERE ALL FRIENDS OF PATRICIA HEARST AND THAT ANOTHER INDIVIDUAL NAMED JACK SCOTT WHO LIVES IN OREGON WITH BASKETBALL PLAYER BILL WALTON DROVE PATRICIA HEARST AND EMILY & BILL HARRIS IN JULY, 1974, FROM BERKELEY, CALIFORNIA, TO PENNSYLVANIA, POSSIBLY

C E

TO A TOWN NEAR PHILADELPHIA NAMED HOLMSVILLE OR HOLMSBERG WHICH IS NEAR A PRISON; THAT THE HARRISES STAYED ON THE EAST COAST POSSIBLY IN PENNSYLVANIA OR NORTH CAROLINA. CALLER FURTHER ALLEGED THAT IN SEPTEMBER, 1974, JACK SCOTT DROVE PATRICIA HEARST BACK TO BERKELEY AND THAT SHE IS STILL THERE. CALLER CLAIMED JACK SCOTT LIVES IN OREGON WITH BASKETBALL PLAYER BILL WALTON.

JACK SCOTT LOCATED AT WALTON HOME, PORTLAND, OREGON, REFUSED INTERVIEW, AND REFERRED AGENTS TO HIS ATTORNEY, CHARLES GARRY, A WELL-KNOWN LEFT WING ATTORNEY OF SAN FRANCISCO. GARRY IS ATTORNEY FOR THE BLACK PANTHER PARTY BUT HAS OPENLY EXPRESSED OPPOSITION TO SLA. GARRY, ON CONTACT, ADVISED THAT BOTH JACK SCOTT AND BILL WALTON ARE HIS CLIENTS AND THAT SCOTT IS JOHN VINCENT SCOTT, FORMER SPORTS EDITOR FOR "RAMPARTS" MAGAZINE. GARRY STATED THAT SCOTT HAS NO INFORMATION CONCERNING THE HARRISES OR PATRICIA HEARST BUT WOULD NOT AGREE TO BE INTERVIEWED BY THE FBI. THERE ARE NO REFERENCES HEARNAP INDICES, SAN FRANCISCO, FOR MARTY MILLER, PHIL SHENNICK OR JACK SCOTT. THE "WILLIE" REFERRED TO BY CALLER IS UNDOUBTEDLY WILLIAM HENRY BRANDT WHO

IS PRESENTLY INCARCERATED AT SOLEDAD PRISON, SOLEDAD, CALIFORNIA, FOR BOMBING VIOLATION. BRANDT HAS BEEN VISITED IN THE PAST BY JOHN VINCENT SCOTT AND HIS WIFE.

BILL WALTON, WELL-KNOWN NATIONAL BASKETBALL ASSOCIATION PLAYER WITH PORTLAND TRAILBLAZERS, WAS INTERVIEWED AT CLEVELAND, OHIO, AND DENIED ANY KNOWLEDGE OF THE SLA FUGITIVES OR ANY KNOWLEDGE OF ANY CONTACTS ON THE PART OF JOHN VINCENT SCOTT WITH THOSE INDIVIDUALS.

IT MAY BE NOTED THAT WALTON HAS PERIODICALLY LIVED WITH SCOTT IN OREGON.

RE HOSPITALIZATION OF MRS. RANDOLPH (CATHERINE) HEARST ON JANUARY 17, 1975, CATHERINE HEARST WAS ADMITTED TO THE HILLS MEMORIAL HOSPITAL, SAN MATEO, CALIFORNIA, [REDACTED] b7C

[REDACTED] SHE WAS THERE FOR REST [REDACTED]

I think I can give you information on the whereabouts of Emily Motague Harris. She looks just like on the picture in the Argosy Dec. 74 Issue, she is natural food fadist. Two years ago she was in the area of Lund, B.C. Canada under the name of Clara with a friend by the name of Glen (?). They were chased by the R.C.M.P. and disappeared. They are back now here in the area under the name of Mitchell and Steve, have a baby and a logsalvage boat, and moved onto the upper Rendezvous Island last October. Their reputation is not very good.

Good luck,
yours truly

Peter Gamble, reporter, Mutual Broadcasting System - Radio, telephone 785-6340, Washington, D. C., contacted my office this date to request a 15-minute taped interview with a Bureau official regarding Patty Hearst.

He stated that it has now been one year since Patty Hearst had been taken from her apartment in California and he felt that it would be timely for such an interview.

Gamble stated that he would cooperate fully with the Bureau and suggests a question and answer type format wherein the Bureau spokesman could address himself to what the FBI feels are significant developments in the case, such as whether or not we are still aggressively following leads, difficulties in this type of fugitive investigation, the extent of the FBI's past commitment to our manpower and resources, and any suggestions wherein the public could be asked for cooperation in locating her.

OBSERVATIONS

In view of this Division's continued interest in publicizing the fugitive status of the three fugitives in the HEARNAP case, it is felt this would be a suitable outlet for publicizing our efforts in this case. There would be no problem in obtaining suitable material which would be coordinated with the General Investigative Division.

The enclosed is a cassette taken from the telephone message recorder, from the offices of North Texas Food & Supply, 209 South Wilcox, McKinney, Texas. Beginning between the first and second time marks, on the side of the cassette which is stamped with the company name, is a recording of a call in which the caller identifies herself as PATTY HEARST and keeps repeating request for help. It is noted that the voice is whispering and is hard to hear. The caller also indicates she is located in a car in a cemetery.

Specimens received 1/30/75

Q1942 One Concertape C-60 cassette tape.

Results of Examination:

The Q1942 recording was not suitable for voiceprint comparison with known voice samples of Patricia Hearst due to the very low level of the whispered voice.

Aural examination of the Q1942 recording revealed the following:

1. At a point close to the beginning of the whispered message, at the third utterance of the phrase "Patty Hearst" the caller's voice drops substantially in pitch and then is raised to a falsetto voice, suggesting the voice could possibly be that of a male and that the voice was probably disguised.
2. The words "Hearst" and "car" uttered by the caller contain a flavor of a Southern or Southwestern accent.
3. The last phrase whispered by the caller is "go to hell."

The above would indicate that in all likelihood the caller was not Patricia Hearst and the call was probably a hoax.

The Q1942 cassette is being returned to the Dallas office under separate cover via registered mail.
